Sir,

In submitting for the information of Government the enclosed copy of letter C.R.No 922, dated 29th July 1902 from the Chairman, Municipal Council, Bellary, requesting that the municipality may be relieved with effect from 1st January 1903 of the expenditure incurred by it in the maintenance of the Ripon Caste girls' school, Brucepet and the Caste Hindu girls' school, Cowl Bazaar, I have the honour to request the sanction of Government for their conversion, with effect from 1st January 1903, into Government salary results schools, with the following scale of establishment for each:-

1 Headmaster	Rs. 12
1 1st assistant	10
1 2nd do	8
1 3rd do	7
	Rs. 37

Both the schools are of the upper primary grade.

2. Provision will be made for the following items of expenditure under contingencies:-

	School at Brucepet. Rs.	Cowl Bazaar. Rs.	
House rent	12	6	
Conductress	2	2	X exclusive of the usual capitation allowance
Office expenses &c	2	2	
Library allowance	1	1	
Prize do	1	1	

I request the sanction of Government to a rent of Rs.12 for the

3

Brucepel school.

3. The schools being municipal schools are not among those referred to in G.O.No 1313 L, dated 12th August 1901 and, as it was not contemplated to take them over under departmental management, no provision has been made in the budget on their account. There will, however, be savings in the lump provision of Rs.8200 made for new girls' schools in the current year's budget as the allotment made for a whole year for the girls' schools at Perambalur and Udamalpet will not be utilized fully and from these savings the sum of Rs.206 that will be required during the current year for the maintenance of the Bellary schools from 1st January 1903 can be provided.

4. The usual proposition statement is submitted herewith in duplicate.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stua

Director of Public Instruction.

29th July 1902.

To

The Director of Public Instruction,

Madras.

Sir,

I have the honour to state that owing to the heavy expenditure incurred by this Municipality during the last year on account of plague the Council was obliged to raise a loan from Government to the extent of Rs.25000.

2. The Government has asked the Council to make a provision of Rs.3082 every year towards the repayment of the loan with interest and the Council in finding means to provide this sum, has resolved to curtail all its expenditure in every branch as much as possible to provide funds required for the repayment of the loan.

3. In doing so, the Council has proposed to transfer the management of the two girls' schools to Government from 1st January 1903 and thereby effect a saving of nearly Rs.1200 a year. Here I beg to point out that the cost of female education is not the legitimate expenditure of municipal funds.

4. I would therefore request that you will be pleased to pass the necessary orders with the view of the two girls' schools being taken charge of by your Department from 1st January 1903.

I have &c &c

The answer is yes. It was ruled in 1885 that "female education" was, "generally speaking, a charge upon the Govt.", & there has been no change of policy. All but a few of the schools in municipal
