To

The Secretary to Government,

Educational Department.

Sir,

A building for the Government girls' school, Vellore is one of the works included in class B works of the Public Works Department budget for the current year and the Inspectress of girls' schools, Central Circle and the Executive Engineer of North Arcot are of the opinion that the plots numbered 1 to 10 in the accompanying plan and land statement form the best building site available in the Hindu quarter of the town. I have the honour accordingly to request that Government may be pleased to ask the Collector of North Arcot to acquire under the Land Acquisition Act the whole of the land shown in the plan and the Public Works Department to prepare the necessary plans and estimates for a building.

2. In the Public Works budget for the current year a provision of Rs. 20000 is made for the quarters of the Vice Principal of the College of Agriculture, but the estimate for them submitted with my letter Ref. on C. No 5943/02, dated 20th August 1902 was for Rs. 15070 only. There will thus be a saving of Rs. 4930 from which the probable cost of Rs. 1300 required for acquiring the sites mentioned above can be met.

I have the honour to be,

Sir,

Your most obedient servant,

J. R. S. S.

For Director of Public Instruction.
