GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, Madras, to the Secretary to Government, Educational department, dated 4th September 1902, Ref. on C. No. 3377.

In continuation of paragraph 2 of my letter Ref. on C. No. 3377, dated 1st July 1902, and with reference to paragraph 3 of G.O., No. 460, Educational, dated 7th August 1902, I have the honour to request that you will be so good as to obtain the sanction of Government for the transfer of Rs. 40,000 from the provision sanctioned for building grants in the Educational budget estimates for 1902-1903 to the Public Works budget. I recommend the transfer of this sum as I think that it is not likely to be needed for building grants and as I find that the amounts sanctioned in the Public Works budget for buildings for Government Training and Girls' schools are inadequate. I request that instructions may be issued for its complete utilization before the close of this official year. The works which I consider should be completed this year if possible are the following :—

Government Training school, Bellary.
Do. for Mistresses, Coimbatore.
Government Girls' school, Bhadrachalam.
Do. Atur.
Do. Shevapet.
Do. Adóni.
Do. Hospet.

ORDER—No. 571, Educational, dated 18th September 1902.

Orders will issue in the Financial department transferring Rs. 40,000 from the provision for building grants under 22-G. EDUCATION—GRANTS-IN-AID—to the Public Works department for expenditure solely on educational buildings. A portion of this additional allotment will be required for expenditure on the training school buildings at Villupuram and Chicacole. The balance may be spent on the works specified in the Director's letter, and reports on the expenditure should be made in the monthly return concerning special grants.

NOTES CONNECTED WITH G.O., No. 571, EDUCATIONAL, DATED 18TH SEPTEMBER 1902.

[SUBJECT.—Surrender of Rs. 40,000 from the provision for building grants in the current year's budget.]

From the Director of Public Instruction, No. 3377, dated 4th September 1902.

The Financial department may be requested to resume the amount and place it at the disposal of the Public Works department for expenditure on educational buildings.

2. The Director recently proposed that Rs. 10,000 should be spent in the current year on the Government training school at Villupuram and another Rs. 10,000 on the school at Chicacole. He does not however make any mention of these works in the present letter. The money may perhaps be left at the absolute disposal of the Public Works department so that they may spend it on such works as they think necessary and possible; the only condition to be attached to the grant of the additional allotment need be that the whole of it should be devoted to educational works.

P. T. THARYAN—8-9-02.

Approved.

A. T. PRINGLE—8-9-02.

The draft placed below may issue with the concurrence of the Financial department.

FINANCIAL DEPARTMENT.

Under Home department letter No. 391, dated the 10th May 1902, the Government of India have permitted the utilization of a portion of the 8 lakhs grant under the head 22. Education for the cost of educational buildings. It is submitted that there is thus no objection to the proposed transfer of Rs. 40,000 from the Educational to the Public Works budget.

2. From the Director's letter it will be seen that the sum of Rs. 40,000 is chiefly meant for the following works in the Public Works budget :—

Item number in Provincial Civil Works budget and page.		Amount of grant, 1902-1903.		
Item No. 50, page 8	..	10,000	(1)	Government training school, Bellary.
„ „ 51 „ 8	..	10,000	(2)	Do. for mistresses, Coimbatore.
„ „ 62 „ 10	..	2,280	(3)	Government girls' school, Bhadrachalam.
„ „ 52 „ 8	..	3,000	(4)	Do. Atur.
„ „ 53 „ 8	..	4,000	(5)	Do. Shevapet.
„ „ 63 „ 10	..	2,000	(6)	Do. Adóni.
„ „ 64 „ 10	..	2,000	(7)	Do. Hospet.

3. Evidently the Director intends that any excesses over the budget grant should be met from the additional allotment. Excesses of Rs. 430 and 540 respectively over the grant in the estimates for the Shevapet and Atur schools have been entered in the claims register. These items will now be struck out. The draft, however, does not restrict the expenditure to the buildings enumerated in the Director's letter. Submitted that it may be accepted.

A. L. PINO—9-9-02.

Yes.

G. S. FORBES.

J. T[HOMSON]—11-9-02.

Public Works department should, it is submitted, be asked to include the expenditure from the Rs. 40,000, to be transferred, in its reports on expenditure from special grants.

C. M. SCHMIDT—10-9-02.

G. S. FORBES—10-9-02.

Will Educational please look into the building grants provision carefully. I don't understand the Director coming up at this late date to ask Public Works department to spend allotments. He has had five months already to think about it. There is some intention of taluq primary model schools being started which may require buildings. Is anything purposed in that regard?

J. T[HOMSON]—11-9-02.

To the Educational department.

EDUCATIONAL DEPARTMENT.

Ask the Director of Public Instruction by telegraph whether he proposes to construct any buildings within the year for model primary schools.

A. T. PRINGLE—15-9-02.

Done.

P. T. THARYAN—15-9-02.

Telegram from the Director of Public Instruction, dated 16th September 1902.

The Director does not think that new buildings will be required for model primary schools within the year.

P. T. THARYAN—17-9-02.

Let the order issue at once and then return the file.

A. T. PRINGLE—17-9-02.

[G.O., No. 571, Educational, dated 18th September 1902]

The order has issued: the file is returned to the Assistant Secretary as ordered.

P. T. THARYAN—19-9-02.

It is necessary under the rules that completion of a building should precede payment of a grant. In this case the Grant-in-Aid Code, rule 114 and appendix S. Director has not knowledge of facts and must rely on private persons for information; all he knows, in most cases, is that a grant has been applied for. The delay in ascertaining that certain promised grants would not be payable in the current year was probably quite unavoidable, seeing that private individuals were concerned.

2. The Public Works department happened to be greatly in need of these funds, and it is, after all, immaterial which department spends them, so long as it is on educational buildings. No expenditure on buildings in connection with the taluq primary model schools is proposed this year.

3. This matter will be watched carefully. I have sent out the order.

A. T. PRINGLE—19-9-02.

Thanks.

J. T[HOMSON]—21-9-02.
