To

The Secretary to Government,
Educational Department.

Sir,

Referring to item No 104 of class B works in the budget of the Public Works Department for the current year, viz, the construction of a building for the Government girls' school, Narsapur I have the honour to state that the Inspectress of girls' schools, Northern Circle, recommends the purchase of the property shown in the accompanying sketch and to request that you will be so good as to instruct the Collector of Godavari to acquire it under the Land Acquisition Act.

2. The Executive Engineer estimates the property at Rs.1500 and this amount may be transferred from the saving of Rs.4930, the difference between the sanctioned allotment and the estimate for the residence to be provided for the Vice Principal of the College of Agriculture, pointed out in my letter Ref. on C.No 2584 dated 6th September 1902. I therefore request that the property named above may be acquired during the current year by transferring the work to class A works.

I have the honour to be,

Sir,

Your most obedient servant,

J.R. Lewis

For Director of Public Instruction.
