To

The Secretary to Government,
Educational Department.

Sir,

A building for the Government Muhammadan girls' school, Fort, Vizagapatam is one of the works included in Class B works of the Public Works budget for the current year. The Executive Engineer, Vizagapatam Division states that except the maidan in the Fort on which the construction of buildings will not, it is reported, be permitted, there is no open space near the Muhammadan quarters and that Shaik Aga's house shown in the accompanying sketch may be purchased and extended so as to provide the required additional accommodation. I have the honour, therefore, to request that you will be so good as to instruct the Collector of Vizagapatam to acquire the property under the Land Acquisition Act and the Public Works Department to prepare in consultation with the Inspectress an estimate for the necessary additions and improvements.

2. Shaik Aga's house is offered for Rs. 1100 and this sum may be transferred from the saving of Rs. 4930 in the allotment sanctioned for the free quarters of the Vice Principal of the College of Agriculture. I have in my letters Ref. on C. No 2584/02, dated 6th September 1902 and C. No 6625702, dated 8th September 1902 recommended that out of the saving pointed out above, a sum of Rs. 2300 may be transferred towards the acquisition of a site for the Government girls' school, Vellore, and a building for the Government girls' school, Narsapur.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
