To

The Secretary to Government,

Educational Department.

Sir,

A sum of Rs. 14200 grant for Dr. Miller's Hostel" is included in the monthly statements of progress of expenditure. I believe this expenditure has been sanctioned by Government and that it is included in the provision of Rs. 109000 for hostels under Miscellaneous in the Educational Budget (Victoria Hostel 70000, Kumbakonam Hostel 25000, Dr. Miller's Hostel 14200). But I have received no orders on the subject and I have no authority to pay the money: also I do not know whether the money is to be paid to Dr. Miller or to the Bursar, Christian College. The hostel is approaching completion and I am informed by Dr. Miller that he has already spent about Rs. 36000 on it. I have the honour to request to be instructed whether I am at liberty to pay the grant or an instalment of it to Dr. Miller or am to consider it as a grant to the Christian College and to postpone payment until the building has been completed and formally handed over to the College.

The former course will be much the most convenient and expeditious.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

C. No. 1292

SUBJECT.

Contribution to Dr. Miller's hostel.

Mention of this matter is first made in the annexure to the letter to the Govt. of India no 1182 Financial dated 30th December 1901. In the remark against item no. 29 — page 13 — it is stated that Dr. Miller has applied for a grant in aid of the erection of a building suitable for a students' home or hostel, which he intends to hand over to the Madras Christian College. This application is not in this Dept. and may be with the original of the Financial order no 1182 dated 30th December 1901.

2. In view of the above remark the grant is apparently to be paid to Dr. Miller. The grant is to be paid from the special allotment of 10 lakhs sanctioned by the Govt. of India to be expended on public works and must be disbursed before the end of the current official year.

The Director does not say whether he has received any

any application. So far as we can remember Dr. Miller
sent a copy of ^{his application to the Director} ~~it~~ privately to the D.M. and the necessary
provision was made ^{on the strength of it}. It was apparently not intended
that the grant should be outside the code. If therefore
the Director has received the application he should
obtain sanction for the grant in the usual course &
pay it. If not he should call for it. There are full
six months before the grant can be paid.

10/9/2

Dr. Miller may be asked
to apply formally for the
sum under the provisions
of the grant-in-code under
building grants. It is be-
lieved that there was some
private correspondence with
Dr. Miller which did not
come to the Secretariat

My recollection is that there
was a distinct printed application
for this grant. The provision was
entered when the money
granted by India was under distribution
but I have no recollection of what
papers were before me. Ask

Public works if they have the
paper.

The distribution of the grant was
sanctioned by India was it not?
That is the authority for its dis-
bursement.

A The Director should call on Dr.
Miller to make formal application for
the money, as the D.S. proposes dealing
with it according to whatever status
Dr. Miller assumes. I think he stands
on his own feet as regards new
hospitals at any rate - & does not repre-
sent the Indian College.

yes.

The printed application was ~~it~~ addressed to
the Director and it is now with the Financial Department.

The Govt. of India approved of the grant and provision
was made for it in the current year's budget. The doubt
was however whether it was to be a lump sum grant
or a grant under the code. If the former an order to pay
is all that is required: if the latter there must be an
application in the usual way. Orders are solicited on
this point.
