SEPTEMBER.

Teachers' College.

Stating that proposition statements may be submitted for the abolition of the — gymnasium, and that the necessity of another peon for the college should be proved.

## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, to the Secretary to Government, Educational department, dated Madras, 5th September 1902, Ref. on C. No. 5818.

It has been brought to my notice by the Acting Principal of the Teachers' College that great difficulty is now experienced in finding employment for students who pass out from the college gymnasium, and that at present there are about sixty such students without employment. He states that since January last he has had only three applications for the services of trained instructors, and that most schools appear to be already provided with qualified men, so that there is no near prospect whatever of finding employment for the men he has on his register. The supply of gymnastic instructors would thus seem to be far in excess of the demand. Mr. Stone, therefore, recommends that the gymnasium be closed until those now unemployed have been provided for, or if it is considered inadvisable to close it altogether, that provision be made for the training of only a small number of instructors, the work of training being entrusted to the gymnastic instructor of the college who may be paid an extra allowance of Rs. 5 per mensem for the additional work that will thus devolve on him.

2. I beg to recommend that Mr. Stone's proposal to close the gymnasium class as a separate institution be accepted with effect from 1st January 1903, that students to the maximum number of five be admitted annually for training in the Teachers' College on payment of a fee of Re. 1 per mensem each, that this fee be paid to the gymnastic instructor of the college as a remuneration for the extra work that will devolve upon him, and that the system of paying stipends from provincial funds be abolished altogether as being no longer required.

3. The staff of the gymnasium consists of a gymnastic instructor, a drill instructor and a peon. The present gymnastic instructor was appointed only on 1st April 1901, and he will be discharged under article 478 of the Civil Service Regulations on three months' notice. The drill instructor—a pensioned jamadar—has put in five years' service and will be recommended for a compensation gratuity if he cannot be employed elsewhere. Mr. Stone requests that the post of peon attached to the gymnasium be transferred to the college where a new peon is needed. I beg to support this proposal.

4. These proposals, if approved, will result in a saving of Rs. 1,580 a year as shown below :—

|                             | RS.   |
|-----------------------------|-------|
| Masters and teachers ... .. | 600   |
| Stipends ... ..             | 900   |
| Contingencies ... ..        | 80    |
| Total ...                   | 1,580 |

5. A proposition statement for the abolition of the appointments of gymnastic and drill instructors of the Teachers' College gymnasium will be submitted on receipt of the orders of Government on this letter.

ORDER—No. 586, Educational, dated 23rd September 1902.

The Director may submit proposition statements in the terms stated by him. The necessity of another peon for the college should be proved.

(True Extract.)

A. T. PRINGLE,  
Assistant Secretary to Government  
in charge.

To the Director of Public Instruction.

„ Accountant-General.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 586, EDUCATIONAL, DATED  
23RD SEPTEMBER 1902.

[SUBJECT.—*Abolition of the gymnasium attached to the Teachers' College.*]

*From the Director of Public Instruction, R.C. No. 5818, dated 5th September 1902.*

The Director's proposals include the levy of a fee from students who undergo gymnastic training and the payment of the sum of such fees to the instructor. This appears to me to be objectionable from a financial point of view: any fees levied  
A | from the students should surely be treated as ordinary revenue, and the payment  
to the instructor as ordinary expenditure.

A. T. PRINGLE—20-9-02.

It is submitted that the Director does not seem to contemplate any procedure different from that mentioned at A. The proposition statement which he will submit in due course will show this, and I thought of raising the point then if he was going to adopt any irregular procedure.

P. T. THARYAN—20-9-02.

Very well. We can watch the matter.

A. T. PRINGLE—22-9-02.

I cannot say that I understand clearly what he means.

J. T[HOHSON]—23-9-02.
