The sum of \$25,000 has been surrendered from the provision for the manufacture of aluminium ware, under 26 P. Scientific & misc departments - Miscellaneous - in the current year's budget, & made available for expenditure in connection with the Delhi exhibition. The Director is requested to report whether it is certain that the remainder of the grant will be spent before next April. If the apportionment is still too large the Govt. consider that it is the duty of the Director to surrender all possible probable savings under it at once. Grants for specific ^{objects} purposes should not be treated as contingent reserves & be drawn on for other purposes as required.

To

The Secretary to Government,

Educational Department.

Sir,

With reference to memo. No 232, Educational, dated 9th instant, enquiring whether the whole of the grant for the current year for the manufacture of aluminium ware will be expended, I have the honour to state that no portion of it can be surrendered. Mr. Chatterton reports that the whole of the budget allotment, excluding Rs. 25000 transferred on account of the Delhi Exhibition, will be spent during the current official year.

I have the honour to be,

Sir,

Your most obedient servant,

J. R. Sans

For Director of Public Instruction.

note connected with G.O. No. 546

Educ. Dept.
Will the Educational H. M. please
refer to the Financial Dept.
notes at p. 8 of G.O. No. 540 of
the 4th instant, (which is flagged
M.?)

Exception is taken in them
to this 'doling out', as it is
termed, of savings from G.O.
& I venture to think that this
aluminium grant is treated too
much as a 'reserve', & be
drawn on whenever the Director
wants money for other purposes.

With the H. M.'s approval,
the draft memorandum placed
below will be sent to
the D. P. I.
