The Secretary to Government,

Educational Department.

Sir,

In G.O. No. 497, Educational, dated 6th September 1901 a grant of Rs. 7123 was sanctioned towards the cost of constructing a building for the Sarah Tucker College, Palamcottah. Though the estimate amounted to Rs. 21670, I recommended a third grant on Rs. 21370 as there was, according to the completion certificate then furnished, a saving of Rs. 300 under the sub head "Supervision".

2. Miss Askwith, the permanent manager, on her return from England brought to my notice that, on looking into the accounts which remained unsettled till her return, she found that there was no saving in the estimate and she requested that a third grant on Rs. 300 might be sanctioned. The matter was referred to the Public Works authorities who, after satisfying themselves as to the correctness of the accounts, furnished a revised completion certificate for the full estimated value of the building. In these circumstances, I have, therefore, the honour to recommend that an additional grant of Rs. 100 be sanctioned bringing the total grant to Rs. 7223.

3. Out of the allotment for building grant in the current year's budget estimate payment of Rs.52145 has been authorized up to date.

I have the honour to be,

Sir,

Your most obedient servant,

J N Sat

For Director of Public Instruction.
