The Secretary to Government,

Educational Department.

Sir,

Referring to item No 10⁸ under class B works of the Public Works budget for the current year, viz, the construction of a building for the Government Training school, Kurnool, I have the honour to state that the site known as "Ranithottam" or "Queen's Park" has been reported by Mr. Elliot, the late acting Inspector of schools, Central Circle, to be the best site available for the purpose and that about two-thirds of the Park to the west or south west of the tank in it will be sufficient. The land belongs to the municipality and the municipal Council has no objection to granting it - vide copy of Council's resolution, enclosed. I have the honour, in these circumstances, to request that you will be so good as to obtain the sanction of Government to the formal acquisition of the site by the Collector, to the transfer by the Public Works Department, of the building to class A works and to a sum of Rs. 7000 including the cost of acquisition, if any, being spent on it during the current year. I have acquainted the Executive Engineer of Kurnool with these circumstances and asked him to expedite plans and estimates.

2. In my letter Ref. on C. No 3377/2, dated 4th September 1902 I recommended the transfer of Rs. 40000 to the Public Works budget and I have already submitted proposals for the utilization of Rs. 33000. The balance of Rs. 7000 may, as stated above, be spent on this building.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
