To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the permission of Government to provide in the budget estimates for 1903-04 for the following revised scale of the menial establishment of the Teachers' College.

Proposed scale.

1 Attender & museum peon	Rs. 9
1 Head peon	8

2 Peon 6 each	12
2 Gardeners 6 & 5	11
2 Punka pullers 6 & 4	10
1 Night watchman	5

1 Toty	5
5 Sweepers 5, 4 and 3	12
	Rs. 91

2. Mr. Stone reports that the existing scale of menial establishment with but slight modifications has been in force since the days of the old normal school, that the expansion of the College in several directions such as the establishment of four hostels, the opening of a kindergarten department, the formation of a museum &c ^{has} increased very considerably the menial work of the establishment and that the pay of the servants has

not been proportionately increased.. Further the pay of some of the peons is so very small that it is not possible to secure passed men for them. One of the peons, it is said, does the work of a gardener as the only gardener on the establishment is unable single handed to water about 800 plants and to look after the compound which is about a fourth of a mile square. It is therefore recommended that the number of peons be reduced by one and the number of gardeners increased by one. The sweepers now engaged are all females and it is stated that their work is not satisfactorily done and that it is desirable to employ male sweepers. A full-time scavenger is also considered necessary to keep the latrine in a proper condition.

3. I consider the proposals moderate and reasonable and request therefore that the permission sought may be accorded. Provision for the three sweepers and the junior punka puller will be made under contingencies. The senior punka puller is already borne on the pensionable establishment and his pay cannot be debited to contingencies.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
