The Secretary to Government,
Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the permission of Government to provide in the budget estimates for 1903-04 a lump sum of Rs 22 000, for effecting improvements in the teaching staff of the Government Girls' schools in the Northern Circle and for the appointment of a peon in each of the schools.

2. Excluding the Local Fund Girls' schools recommended in my letter Ref. on C.No. 4440 of 02, dated 23rd August 1902 to be taken over under Government management there are at present 89 Government Girls' schools in the Circle. The teaching staff sanctioned for these schools is numerically insufficient. The qualifications of the staff employed are also below the mark. The salaries now paid are in the majority of cases no higher than the wages of a peon and in consequence it is difficult to obtain good teachers. Miss. Gow, the acting Inspectress of Girls' Schools, Northern Circle, has submitted proposals for increasing the number and salaries of teachers in some of the schools and these proposals involve an additional expenditure of Rs 4058, but the recommendations made are in my opinion inadequate. In my letter Ref on C.No. 4304 of 02, dated 2nd October September 1902 I have submitted proposals for improving the condition of the girls' schools in the Central Circle and I desire that all the schools in the Northern Circle should be similarly grouped into four or five main classes and that uniform and improved scales of establishment should be

sanctioned

sanctioned for each class of schools. As the classification will take sometime I request permission to provide a lump grant of Rs 22 000 in the budget for 1903-04 for the object stated.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
