ASSIST. SECY TO GOVT. LOCAL MUNL. EDL & LEG. DEPT. 9 APR 1902

Honoured Sir,

I beg to represent the followin most respectfully

① I submitted a petition to the Director of Public Instruction, Madras on 20-11-98, (enclosure —— I) It was in Tamil and contained the several irregularities of certain schools* here. It was a private one and I am sorry that it was returned to me, as it was not sent through the proper channel with no $\frac{13864}{8-12-98}$ (enclosure —— II)

* 1 Hindu Middle School
2 Pannamtam Jean School
3 Vydyanathapuram School

② I again submitted it throu the Sub Assistant Inspector of schools, Palghat Range, on 25-1-99 (Encl. III) in a registered cover (Post office receipt, no 401 enclosure —— IV) I was ready to prove some of the statements, but there was no publi enquiry, and I was not favoured with any reply. also, for the last three years and till

!!

P. T.

(3) I submitted another petition to the Director f Public Instruction, on 13 or 14-2-02 (enclosure IV) and am very sorry that ~~w~~ he was not kindenough o give me a reply even to this

) The enclosures may show that the school's worked uite against some of the rules of recognition nd aid and of public health. But as the schools re in the midst of a thickly peopled part f this Municipal town, the boys were sent here for learning. The schools were more than self-paying and, with all that, the manger is given the better share of the grant-in-aid as fixed grant when other managers get poorest income and are crying for aid

(5) The manager of the schools under report has become very rich within a short period of 10 years with these schools only, and it is not that I am gealous of his wealth and position, but the murmuring f the managers of poor schools for aid of grant nd opens irregularities in the schools under report, that induced me to report to the Director f public instruction in 1898. Most of the matters f complaint are still there, which the Times of Malabar has also represented in three papers n January and February last

(6) L.T's, and ~~are~~ trained A's can be had for the pay that the manager

and head master shows, i.e. Rs 80, 40, 30 etc, but he has only trained or raw matrics, who will go for a ~~fallss~~ farless pay even. The highest pay of the head master of a L.F. Middle School in South Malabar is only Rs 40-50; and the pay of the long ~~and~~ experienced teacher of the third form, i.e. (Head Master of the middle department) of the local ~~municipal~~ Victoria College is only 47 or 50 Rs. It may thus be seen that Rs 80 is a very high figure for a trained matric, who himself is the head master and manager of the school; and this raises the net cost of the school for grant.

(7) Some of the schools in the municipality were not aided while under the supervision of Mr T. Mathai, the then Sub Assista Inspector of this Range, as they were considered to be self-supporting or even more; and the Hindu Middle School was one of them. But now the same school has been given a grant higher than any other school, though it has not under-gone any material change; and this school is now under the supervisons of the Assistant Inspector of Schools W.C. Division.

(8) The Director of Public Instruc is the authority to order justice in the matte and I am very sorry that he was not kind enough to order me any reply, or that he did make any personal enquiry into the matter

brought to his notice

I therefore most humbly and respectfully request that justice may be kindly ordered to all the managers and for removing all the irregularities of the schools under report at the earliest convenience

For which act of kindness and justice, I shall, as in duty bound, ever pray and the general public may be grateful.

I beg to remain,

Honoured Sir

Your honour's most obedt servant,

K. P. Rama Pattar

Abstract of copy in Tamil

To,

The Director of Public Instruction, Madras

Sir, 1 I beg to mentioned honestly the irregularities of the Hindu middle School Palghaut, Municipality

2 Two Schools Hindu middle, & Pannamtamteru Primary, Schools have 8 classes with about 400 pupils on the whole. The building Can accommodate only 5 classes with difficulty. The other 3 classes are not held in the proper time. And there are no separate teachers for each of the eight full classes.

3, இந்த பள்ளிக்கூடம் நானா வர்ணத்தாருக்கும் வரப்பட்ட இடத்தில் அல்ல இருப்பது பிராமணர்களுக்கு மாத்திரம் தான் வரப்படும். முகமதியர்களுக்கும் தீயர்களுக்கும் வரகூடாது தீயர்களுக்கு வரப்படாத இடத்தில் மானேசர் பள்ளிக்கூடம் இருப்பதின் காரணம் தீயர்கள் பள்ளிக்கூடத்தில் படித்தால் பாதிசம்பளம் தானே கிடைக்கும் என்று ஆக்கும் (தீயர் ஈழுவன்)

The schools are not open to all classes of people and are located in a place where Tias cannot approach

4, இரண்டுபள்ளிக்கூடத்திலும் கூட மானேசருக்கு கிராண்டு தவிர ஒரு வருஷத்தில் 3000 ரூபாய் பிள்ளைகளின் சம்பளமே கிடைக்கும் கிராண்டுபோன வருஷம் 600 ரூபாய் கிடைத்தது

4 The income from fees alone for a year is about 3000 Rs exclusive of Rs600 the municipal grant last year.

5, தேகப்பயிற்சி செய்ய (சைமினேசியம்) ஒன்றுக்கு போகவது இரண்டுக்கும் இடம் இல்லை

5 There is no privy in the school and ~~kn~~ no gymnasium ground for the pupils.

6 பள்ளிக்கூடத்தில் சாரிபாங்கு இல்லை ஒவ்வொரு வகுப்பில் 42, 45 பிள்ளைகள் உண்டு. 25 பிள்ளைகளுக்கு கூட இருக்க இடம் இல்லாமல் வகுப்புகளை அவ்வளவு நெருக்கமாய் போட்டிருக்கிறது 8 வகுப்புகள் இருக்கைகயில் 5 வகுப்புகளுக்கு கூட இருக்க இடம் இல்லை.

6 There are no benches with backs. There are about 42-45 boys in each class. The classes are too closely located.

7. இந்த மானேசரின் கீழில். ஹிந்து மிடில் இஸ்கூலும் பன்னிரண்டாம் தெருவு பிறைமரி இஸ்கூலும் வைக்கிறதுபுரம் பிறைமரி இஸ்கூலும் இருக்கிறது இந்த பள்ளிக்கூடங்களில் இருக்கிற உபாத்தியாயர்களை ஒவ்வொரு நாள் ஒவ்வொரு பள்ளிக்கூடத்தில் வேலை செயிகிறார் பள்ளிக்கூடங்களில் இருக்கிற கிளாசுகளையும் ஒரு வாரம் இரண்டு வாரம் ஒரு மாதம் இரண்டு மாதம் ஒவ்வொரு பள்ளிக்கூடத்திலும் வைத்து வைத்து வருகிறார் அதாவது வைக்கிறதுபுரம் பிறைமரி இஸ்கூலை பன்னிரண்டாம் தெருவு பிறைமரி இஸ்கூலில் வைத்து இரண்டு மாதத்திற்குமேல் நடத்தி வந்தார் // இப்போது பரீட்சை அடுத்த படியால் பன்னிரண்டாம் தெருவிலிருந்து வைக்கிறதுபுரம் பள்ளிக்கூடத்தை வைக்கிறதுபுரத்துக்கு கொண்டுவந்திருக்கிறார் வைக்கிறதுபுரம் இஸ்கூலில் இருக்கும் மூன்றாம் வகுப்பை இவ்வாறு பன்னிரண்டாம் தெருவு பிறைமரி இஸ்கூலில் வைத்து படிப்பித்து வருகிறார் இப்படி படிப்பு நடத்திவருவதின் காரணம் மூன்று|

7 This manager has three schools under him. The teachers are common to all i e they work for some days in one school and for other days in another. And two primary schools were held together in one school for more than two months

Now as the examination comes near the manager has now separated them but the third standards of these two schools are held together and yet they are two schools for grant.

பள்ளிகூடத்திலும் உபாத்தியாயர்கள் ஏராளமையால் தான் பரீட்சைக்கு முன் பன்னிரண்டாம் தெருவு பள்ளிகூடத்தையும் வைத்திருந்தாலும் பள்ளிகூடத்தையும் சேர்த்து நடத்தி பரீட்சைக்கு வேறே வேறெ குடுப்பார்

வைத்திருந்தாலும் இவ்கூரும் பன்னிரண்டாம் தெருவு இவ்கூருக்கும் இதற்கு முன் மானேசர் வேறெ ஆள் இருந்தனார் ஆனால் அவர்களிலிருந்து பன்னிரண்டாம் தெருவு இவ்கூருக்கு 200 ரூபாயும் வைத்திருந்தபுரம் இவ்கூருக்கு 150 ரூபாயும் விலை கொடுத்து வாங்கி நடத்தி வருகிறார் இப்படி விலை கொடுத்து வாங்கினதின் காரணம் லாபம் ரொம்ப கிடைத்து வருகிறது

The present manager bought these schools from the previous managers for Rs 200 and Rs 150 respectively, for he gets a good bargain out of these.

8, இந்த மானேசரின் கீழில் இருக்கிற மூன்று பள்ளிகூடங்களுக்கும் கிராண்டு கூட வேண்டியதில்லை ஏனென்றால் பிள்ளைகளின் பாதத்து சம்பளமே பள்ளிகூடத்துக்கு வேண்டிய செலவுக்கு மேல் கிடைத்து வருகிறது

8 The schools under the present manager are more than self supporting even without grant. So there is no need for aid.

இன்ஸ்பெக்டிங் ஸ்கூல் மாஸ்டரும் ஸப் அஸிஸ்டாண்டு இன்ஸ்பெக்டர் அவர்களும் மேல் சொன்னதை ஒன்றும் பார்க்கிறதில்லை

The Inspecting school-master and the Sub asst Inspector do not take any notice of these things.

9, இந்த மானேசரின் மூன்று பள்ளிகூடத்திலும் கிடைத்து வருகிற லாபத்துக்காக இந்த தாலூக்கா தாசில்தார் அவர்கள் 60 ரூபாயி ஆதாய நிகுதி போட்டிருக்கிறார்

To

The Secretary to Government,

Educational Department.

Sir,

In returning the endorsement of Government, No 109, Educational, dated 22nd April last referred to me for remarks, I have the honour to state as follows:-

(1) C.D.Rama Pattar, the petitioner, brings the following charges against the Department and against the three schools under the management of K.A.Gopala Aiyar:-

(1) that no notice was taken by the Director of his petitions, dated 20th November 1898 and 13th February 1902;

(2) that the schools under the management of K.A.Gopala Aiyar have violated some of the rules of recognition and aid;

(3) that though the schools have been more than self-supporting and are thus not in need of any aid they have been allowed liberal grants from public funds;

(4) that in order to swell the net cost of the schools the pay of the headmasters and the assistants has been put down at unduly high rates;

(5) that the Hindu Middle school and Pannantamteru Primary school, Palghat are held in one building which is not large enough for the 400 pupils on their rolls, that some of the classes are not held at proper hours, that there is not a separate teacher for each class and that there is only one set of teachers for the three schools under the management of K.A.Gopala Aiyar;

(6) that boys of other schools are admitted without leaving certificates;

and (7) that boys of the Middle school have to go from one building to the other for some of their lessons in the course of the same day.

(2). The petition was referred to the Assistant Inspector of schools, West Coast Division on the 3rd June 1902 for report through the Inspector. The former officer asked C.D.Rama Pattar, the petitioner, to meet him at Palghat on the 16th June last and prove the several allegations contained in his petitions, and although the latter did meet him that day as desired, he refused to make any attempt to prove the charges or to make any statement at all to the Assistant Inspector. I received a report to this effect on the 30th June, but as I had in the meantime received another letter from the petitioner bringing certain charges against the Assistant Inspector on the 11th July I requested the Inspector of schools, Western Circle, to make a personal enquiry into the state of the schools referred to by the petitioner and to submit a report. From the enclosed extract from his letter No 5040, dated 21st August 1902, Government will observe that the schools complained of satisfy the conditions of recognition, that they are held at certain fixed hours, that there are separate teachers for each school, that the strength of the Hindu Middle school and the Pannantamteru Primary school is 151 and not 400 as alleged by the petitioner, that the schools are supplied with benches with backs which are reported to be strong and serviceable, that the manager pays an income-tax of Rs.20 only per annum and not Rs.60 as alleged by the petitioner and that though the pay of the headmaster of the Hindu Middle school is somewhat high the rates of salary allowed to the other teachers are but reasonable considering their qualifications. Thus most of the charges brought by the petitioner who is the headmaster of a rival result school at Palghat, appear to be frivolous. There are defects to be remedied in the Hindu Middle school, viz, the want of a latrine and the absence of suitable provision for gymnastic instruction, defects which cannot be allowed in schools admitted to the fixed grant list. I am calling for further information on these points and for the financial statements of the schools to see whether the net cost shewn in the fixed grant list is correct. On receipt of these particulars I shall deal departmentally with the question of the eligibility of the schools for aid on the fixed grant system.

(3) As regards the charge that no notice was taken of the two petitions of Rama Pattar, I beg to state that the first petition was returned as it was not forwarded through the proper channel and that the second was for the same reason merely lodged in my office. The delay in replying to this reference is due to the difficulty of tracing the second petition in my office and to the fact that a second reference to the Inspector was necessary, as I was not satisfied with the Assistant Inspector's report.

I have the honour to be,
Sir,
Your most obedient servant,
G H Stuart
Director of Public Instruction.

Extract from a letter from the Inspector of schools, Western Circle, No 5040, dated 21st August 1902.

With reference to your Proceedings Ref. on C.No 3382/02 dated 11th July 1902, I have the honour to state that on the 21st July I went to Palghat for the purpose of making the required enquiry and immediately on arrival I visited the 3 schools named in the petition without giving previous notice to the manager. Subjoined are the notes taken by me regarding the schools.

Hindu Middle School and Pannantamteru Primary school are held in one and the same room which is 100 feet long and 16 feet broad. There is no partition between the two. In the Middle school are three forms, I, II and III. In the Primary school the classes are 5 i.e. from the Infant to the 4th inclusive. The Middle school is held from 11 A.M. to 1 P.M. and from 3 P.M. to 5 P.M. and the Primary school from 7 A.M. to 10 A.M. and from 3 P.M. to 5 P.M.

Teaching staff.

The Middle school has three teachers. The names, qualifications and salaries of them are as follows:-

Headmaster and manager - K.A.Gopala Aiyar-Trained and certificated matriculate-salary Rs. ~~30~~ 80 per mensem.

Second master - T.R.Krishna Aiyar-Trained and certificated matriculate-salary Rs.20 on leave since 4th June 1902-no substitute appointed.

Third master-S.K.Venkateswara Aiyar-uncertificated matriculate-salary Rs.10.

Pannantamteru Primary school.- There are three teachers in this school.

K.A.Anantanarayana Aiyar-Middle school second class-Permitted to teach 4th standard-salary Rs.15.

K.R.Vaidyanatha Aiyar-Primary certificated-salary Rs.12.

C.V.Marutha Aiyar-untrained and uncertificated lower secondary-salary Rs.10.

K.S.Rama Pattar is the land owner. He receives Rs.6 a month as ground rent.

There is no latrine nor any gymnastic apparatus for these schools. The manager has been permitted to introduce Sandows system of Gymnastics.

All the benches have backs and are strong and serviceable.

There used to be a latrine, it appears, but it is said to have been pulled down as the house owner did not like it in that position. The manager says he has asked the chairman of the municipality to allow him to put up a latrine and can produce voucher to that effect.

Vydianathapuram school.

The building is a very good one, 110 feet long and 13 feet wide. There is a small garden on the north and a narrow strip of ground on the west, in this is a pair of parallel bars. All the benches have backs and are good serviceable ones.

The three teachers named below are employed in it:-

K.A.Siva Aiyar-Trained and certificated
Lower Secondary-salary Rs.15
K.V.Krishna Aiyar-Approved service certificate
Primary- salary Rs.12
K.A.Vydianatha Aiyar-Uncertificated Primary-salary Rs.10.

K.A.Gopala Aiyar-the manager of the schools pays Rs.20 per annum as Income tax. I examined the vouchers.

From the above notes it will be observed that the staff of the schools satisfies the condition of recognition.
