Sir,

I have the honour to request that the permanent advance of Rs.200 in the School of Arts be raised to Rs.500.

2. Out of the Rs.200 at present allowed a sum of Rs.75 has been placed at the disposal of the weaving department and the remainder is now quite insufficient for the other departments of the school owing to the large developments that have been lately made in every branch. Consequently contingent bills have to be sent in to the Accountant-General almost every day in order to draw money to meet urgent petty expenses and this is found to be inconvenient.

Slip 2 3. In G.O.No 33, Educational, dated 13th January 1887 a sum of Rs.700 was sanctioned as permanent advance. This was found to be more than was required and it was afterwards reduced to Rs.200. In consequence of the opening of the aluminium department this was in G.O.No 560, dated 2nd September 1898 Slip I increased to Rs.400, but in G.O.No 182, dated 23rd April 1900 it was again reduced to Rs.200, a separate advance of Rs.500 being given to the Aluminium Department.

I have the honour to be,

Sir,

Your most obedient servant,

G H Stuart

It is submitted that besides the weaving departt there is now a carpentry departt which seems to be mostly engaged in* making furniture. My dear Pringle

In answer to your D.O. No 106 of 13 October 1902 referring to my letter No 5304/12.9.2 what I meant was that much more work is now done in the School of Arts than formerly; more carpentry, more carpetry, and more metal work; and more things are made & more sold. I did not mean that any new dept of work had been opened

Yours sincerely
