To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to submit the enclosed plan and a valuation statement of a building which it is proposed to purchase for the use of a hostel in connection with the Madras Christian College and to recommend that a grant of Rs.10000 (Tenthousand only) which is a third of the value of the building as estimated by the Consulting Architect, be sanctioned under Rule 113 of the Grant-in-Aid Code.

2. The Bursar reports that there are at present about 450 students of the College, who do not live with relatives or friends and for whom it is desirable that hostel accommodation should be provided. Of these 450 students, at least 46 will find accommodation in the building which it is now proposed to purchase.

3. Payment of the grant will be authorized on production of the sale deed and on the management executing a Trust deed and promising to conduct the hostel according to the rules approved by the Director.

4. Out of the allotment for building grant in the current year's budget estimate payment of a grant of Rs.52145 has been authorized.

I have the honour to be,

Sir,

Your most obedient servant,

J.R. San

Sir,

With reference to your No 3036 of 1902, dated 29th ultimo, I have the honour to inform you that I consider the valuation to be fair if depreciation at the rate of $\frac{1}{2}\%$ per annum or 9% is taken into account. The valuation will then stand at Rs.30000.

I have &c &c

Why should management execute Trust
deed. Does this mean [the] deed [of]
agreement [of] rule 114 [of the]
Grant-in-aid Code. Why should management
promise [to] conduct hostel according to
rules approved by ^{you} [the] Director. Is this
condition usually ~~to be done~~. If not why [to]
it now proposed.

C. No. 1419

SUBJECT.

Grant towards the Costa Rica building proposed to be purchased for use as a hostel for Christian College students.

The draft placed below may issue but with reference to para. 3 of the Director's letter it is submitted that the execution of a trust deed does not seem to be contemplated by the rules of the grant-in-aid Code. Under the second clause of rule 114 the managers shall, if required, execute a deed of agreement in such form as may be prescribed from time to time. The Govt. have not yet prescribed any form of agreement but such agreement cannot refer to any trust deed.

2. The condition that the managers should promise to conduct the hostel according to rules approved by the Director is perhaps a good one but so far as Govt. are aware it does not appear that any such condition has hitherto been enforced.

3. It is for consideration whether any reference should be made to these points in the draft order. ^{If any has to be made} A general prohibition ^{by} not to attach to the grant any condition not contemplated by ^{Govt.} the Code may perhaps be all that is necessary.

I think we should refer to the ^{Govt.} first. Telegraph (deferred) asking him why trust-deed is proposed. Does this mean the deed of agreement of rule 114 of the Code. (Again)

The Director says that the Trust deed mentioned in his letter is the deed of agreement of rule 114 of the Grant-in-aid code. Then it is not ^{the} clear why it is called Trust deed. The condition about Director approving the rules for the hostel is, it is stated, usually enforced. The draft may now issue.
