To

The Director of public Instructions,

Madras.

Honoured sir.

I beg to bring to your honors kind notice the following request for favour of sanction.

I am a son of a government pensioner who served under the educational department of the Madras Government, and is now in a poor state.

I was reading in the V form in the year 1900, but was obliged to leave the studies owing to pecuniary difficulties. Since then I have been working to pass the technical examinations, and have succeeded in the following subjects.

	Subject	Grade.
1.	Freehand outline Drawing	Intermediate grade
2.	Geometrical Drawing	do — do
3.	Building Materials & construction	do — do
4.	Machine Drawing	do — do
5	Technical Teachers certificate	do do
6.	Painting	Elementary grade
7.	Design	do — do.
8.	Building Drawing & Estimating	do — do:
9.	Lower Secondary Examination	
10.	Group certificate in Drawing	

I applied for the April Examination of this year in Building Drawing & Esti-

by the special permission of your honour which is the only subject to be finished by me to obtain the group certificate. But I am unfortunate enough to say that I failed in that subject. Not only have I adopted this course by my willingness in these subjects but also by pecuniary difficulties, which does not allow me to go over for the entrance examination of the Engineering college, and to continue the college course.

I have applied on several occations to your honour for help by giving scholarship for the subjects which I have passed in the 1st class in highest ranks but have received a negative reply.

Now I appear before your honour by this letter to beg your honour to give me special permission to appear for the final examination of the Draftsmen class of the college of Engineering in this year and to grant me the college final examination certificate after passing the examination.

I have also written a letter to the board of examiners of the Engineering college about the same subject for recommendation. I am waiting for your honours kind favourable reply.
