To The Chief Engineer,

Through The Officer in charge,
Head Quarters Sub Division,
Kistna Northern Division.

The humble application of R. Hanumantha Rao
Boat clerk Vth class 1st grade and Acting
Sub Divisional clerk, Head Quarters Sub Division

Respected Sir,

I most humbly and respectfully beg to
lay down the few following facts of my case
for favorable consideration and orders:—

I passed the late Middle school Examination
in the first class in the year 1889 and had
the fortune of securing on or about the 22nd
March 1892, an acting appointment of Rs 20
to start with in Government Service in this
Department. I was then considered to be
qualified for holding permanent appointments
of over Rs 15 under the Examination Rules in
force. On the termination of this acting
appointment and in continuation of the same,
I was favoured with a temporary clerk's
appointment of Rs. 15 on the 5th July 1892.

While plodding on in the capacity, on
diverse occasions, I was strongly recommended
for a permanent footing by my superior
Officers but had not the good luck to secure
a berth before June 1894, for want of a
vacancy, when the rule delaying a matriculation
for Public Service came into force. This
apparently deprived me of my privilege.

However, on 26.12.1895, I was taken in

I have the pleasure
to certify that Mr. R.
Hannantha Row worked
under me as a clerk
for about a year and
four months. I found
him a very intelligent
active and hardworking
young man. He has
a good knowledge of G. W. D.
accounts and clerical
work. He can draft
a fairly good letter and
is a great help to his
officers in very many
ways in the execution
of his works. He never
flinches from his work
and always carries
out orders promptly.
