The Secretary to Government,

Educational Department.

Sir,

In G.O. No 313, Educational, dated 22nd May 1902

Government sanctioned certain proposals for carrying on the work of the Aluminium department of the School of Arts during the absence of Mr. Brand the industrial assistant. As Mr. Brand had left the school in April and as it was absolutely necessary to make immediate arrangements for carrying on his work, Mr. Chatterton employed two assistants from the 20th April. These assistants were however informed that they would receive no pay unless Government sanctioned the proposals, and that the amount of the pay would depend on the nature of the orders of Government.

2. From the accompanying objection memo., it will be observed that the Accountant-General objects to the payment of the salaries of the two assistants and of the increase of pay of the senior foreman for the period previous to the date of the Financial G.O. viz, 9th June 1902 and that he further requires the special sanction of Government under G.O. No 322, Financial, dated 7th April 1902 to the increase of the foreman's pay from Rs. 60 to Rs. 90.

3. I have the honour, in these circumstances, to request that you will be so good as to obtain the sanction of Government to the proposals sanctioned in G.O. No 313, Educational, dated 22nd May 1902 having retrospective effect from the 20th April 1902 and to the senior foreman K. Srinivasa Sastri drawing a salary of Rs. 90.

I have the honour to be,
Sir,
Your most obedient servant,

F. H. Sastri
Director of Public Instruction

EDUCATIONAL DEPARTMENT.

C. No. 1593, From the *DP*, Dated 22-10-1902

Subject. Temporary arrangements for the conduct of Mr. Brand's work in the Aluminium department.

Orders on the Director's letter have been passed in the Financial department but before the letter is transferred to them they may be asked whether they will accept the proposals. As the new arrangements were actually made from the 20th April payment should apparently be made with effect from that date.

PH
3/11/2

This is rather forcing the hands of Government; the men must be paid, & of course Govt. are unwilling to take such an extreme step as saying that the officers concerned must pay in such a case. But Mr. Chatterton should have waited until his proposals were approved.

He could not wait much dislocation of work would be.

PH
5.11.2

Mr. Chatterton was no doubt wrong, but in the end it must have been necessary to make some arrangements for carrying on his work in the

Aluminium department at once after Mr
Brand left. The work there is on quite a
different footing from work elsewhere &
without risk of losing business & profits
work had to go on, orders to be executed,
& sales continued. The Arrangement may
it is submitted be sanctioned - with a
remark that Mr. Charleston sh^d have
asked for this sanction immediately
on receipt on the G.O. approving the - 22 May. 02.
Arrangement he suggested -
