GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper:—

G.O., Mis. No. 529, Educational, dated 2nd September 1902.

Read—the following paper:—

G.O., No. 2271 W., dated 19th August 1902.

Read—the following papers:—

From the Superintending Engineer, IV Circle, No. 198 W., dated 14th March 1902, forwarding the following letter from the Executive Engineer, Coimbatore division, No. 182 S.E., dated 12th March 1902:—

In continuation of this office No. 147 S.E., dated 1st March 1902, I have the honour to inform you that as the Boer camp still gave Mr. Adami more work than he could do I had to send up Engineer subordinate student G. V. Kuppaswami Iyer to his assistance. This of course involved the student in the purchase of warm clothes and other outfit which was the harder on him as his course is almost at an end, but it was the best arrangement I could make having no one else to spare at a moment's notice. The student now asks for a hill allowance, and it seems fair, under the above circumstances, that he should get one. I venture to recommend that Government may be addressed on the subject. It might be well at the same time to make a general rule on the point to meet similar cases as it may not infrequently be desirable to send students to work in progress at Ootacamund, Coonoor, Kodaikanal, Yercaud, the Anamalais, etc.

2. Mr. Adami also recommends a temporary increment to his clerk and his two peons on the ground that living at Kaity where there is no sort of accommodation and no bazaar within five miles they have been put to considerable hardship. I beg to support this recommendation, and to suggest that the clerk's pay may be raised from Rs. 30 to Rs. 35 and the peon's pay from Rs. 8 to Rs. 10 for the period of their work at Kaity.

Office-note from the Examiner, Public Works Accounts, No. 1144 B/E., dated 20th March 1902.

Office-note from the Examiner, Public Works Accounts, No. 659 A/E., dated 15th May 1902.

Office note from the Examiner, Public Works Accounts, No. 760 A/E., dated 13th June 1902.

Order—No. 2271 W., dated 19th August 1902.

In the circumstances stated in paragraph 2 of the letter from the Executive Engineer, Coimbatore division, the pay of the clerk and two peons in question will be increased as shown in the margin during the period of their employment on the Boer camp at Kaity.

One clerk from Rs. 30 to Rs. 35 per mensem.
Two peons from Rs. 8 to Rs. 10 each mensem.

2. Orders will issue in the Educational department fixing a higher stipend to Engineer subordinate student G. V. Kuppaswami Iyer employed on the camp work, and to the extension of the concession to all similar cases in future.

3. The sanction accorded in paragraph 1 has been registered as Provincial No. 26A W. of 1902-1903, and classified as Establishment—Temporary.
