To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to submit herewith a petition from two Pattani Mahomedans of Angadipuram praying that they may be exempted from the examination prescribed for admission to posts of Rs.15 and upwards in the Public Service.

2. The petitioners are two brothers of the names of Ahamad Hosein Sahib and S. A. Sheik Moinudin Sahib. The 1st petitioner Ahamed Hosein Sahib held recently an acting appointment as a clerk in the Walwanad Taluk Office. The 2nd petitioner Sheik Moinudin Sahib is an acting Shroff in the same office. They have only passed the Lower Secondary Examination and are consequently debarred from holding posts carrying a salary of Rs.15 or upwards. The Special Assistant Collector, Mr. Tottenham, in submitting the application writes as follows. "Both write well-much better than a large proportion of Matriculates. Personally I consider this stamp of men very useful for the less highly paid clerkships. Both have been tried. I am strongly inclined to recommend that some concession be granted to one at least of them - preferably the elder - more in the interests of the Public Service than for any other reason. At present we have practically no Mahomedan clerks and I think it highly desirable to secure some." For the reasons given by Mr. Tottenham I beg to support the application. If however Government do not see fit to exempt both the petitioners I beg to request that an exemption may be granted at least in favour of the elder of the two brothers-Ahamed Hosein Sahib. The Tahsildar states that "he is more active and experienced in office work and deserves encouragement." The loyalty of the family in the past is a factor to be taken into consideration.

I have the honour to be,
Sir,
Your most obedient servant,

The humble petition of S. A. Ahamad Hosein Sahib and S. A. Sheik Moinidin Sahib of Perintalmanna Amsom and Desom, in Wallwanad Taluk.

Most respectfullyshoweth.

That the first petitioner is at Present acting 7th clerk of the Wallwanad Taluk and the 2nd petitioner acting 2nd Sheroff of the Same office.

That the petitioners have both passed the Lower Secondary examination. The first petitioner was in Service for the last 8 months and the 2nd petitioner for 2 months.

That the petitioners belong to a respectable Musalman family which ha

done loyal and Signal Service to the Government. When the whole Country was in Confusion Consequent on the illguided action of the fanatic moplahs, the petitioners family was on the Side of law and order and their uncle Rahimansha Pattani was one of the eight gentlemen Singled out by the then Collector Mr. Herbert Brodley as among those who rendered noticeable assistance to the authorities in Connection with the moplah outbreak of 1894 Pallikurup in Mannarghat.

That the petitioners' father was also a trusted Servant of the State. When after the lamented murder of Mr. Canolly, it was the petitioners' father that accompanied the then Sub Collector Mr. Collett, as his trusted peon in the troublesome task of hunting down the miscreants. Their father also rendered Signal Service as a detective prior to the institution of the Police force, and in this Capacity he earned the esteem and Confidence of every European Officer, under whom he had the good fortune to Serve.

That the petitioners' father died as the Duffadar of Wallwanad when they were young with their education just begun. Their Schooling was continued by their brother

late Muhamad Ghouse Sahib, Sub Regist
of Wandoor. Unfortunately for the petitio
his helping hand also was removed by the
hand of death. The petitioners were therefor
left helpless and though willing to continue
their Studies, pecuniary difficulties Stood in
the way.

The petitioners were happy enough to get a Substitute for their deceased father and brother in your honor and the petitioners were given the present posts through your honor's kindness and Statesmenly Solicitude towards the Muhammadan loyal Subjects of His Majesty.

The petitioners are disqualified by the present examination Rules in getting appointments Carrying a Salary of more than Rs 14. From the Circumstances already Setforth the petitioners will have to die in the inferior Service unless specially exempted.

The petitioners' brother the late Muhamad Ghouse was the first Musalman to pass the Matriculate examination in South Malabar and thus Set an example to his brother Coreligionists. Copies of testimonials obtained by the family are herewith Submitted.

Pray therefore that your hon

may be pleased, under the Circumstances to recommend the Case of the petitioners' to the Government for exemption under the examination Rules.

For which act of Kindness and Charity the petitioners' shall in duty bound ever pray.

Exemption from the examination rules.

The Collector of Malabar applies for the permanent exemption from the examination rules of two Pathani (Muhammadan) brothers of Angadipuram in the Walavanad taluq for employment as clerks on Rs. 15 and upwards in the public service. They have passed the lower secondary examination and the Special Assistant Collector says that both of them write well and have been tried in office work. The Collector recommends the exemption of both, but adds that if the Govt. do not see fit to exempt both, at least the elder who is more active and experienced may be exempted.

2. The exemption of both may be sanctioned. Indeed under G.O. No. 456 Public of 15th May 1902, it does not appear, ~~that~~ ~~[illegible]~~ that refusal is justifiable except for very strong reasons.
