Sir,

I have been informed

[In his D.O. No. 456, dated 23rd August 1902, the Chief Secretary informed me] that His Excellency the Governor desires that I should be present at Delhi during the coronation Darbar, when I shall "have opportunities of buying and exchanging specimens for the Madras Museum."

2. I do not know how far Dr. Watt has already arranged to purchase, on behalf of the Indian Museum, Calcutta, art-ware, for the exhibition of which at Delhi he arranged in the course of his tour in Southern India. But it seems probable that, as I am to be at Delhi in the capacity of judge, in advance of the opening of the Exhibition, I shall have an opportunity of making purchases of South Indian Art-ware, such as are required to fill up gaps in the existing art collection. For this purpose I have the honour

to request that, if funds are available, His Excellency the Governor in Council will be pleased to place at my disposal a sum of at least Rs 3000, and give me discretionary power to purchase individual articles exceeding Rs 100 in value.

I have the honour to be
Sir,

Your most obedient Servant

I am directed to say that His Excellency the Governor desires that you should be present at Delhi during the Coronation Darbar in January next, when you will have opportunities of buying and exchanging specimens for the Madras Museum. You will be granted a deputation allowance during your absence from Madras. So far as can be foreseen at present, you will be expected to make your own arrangements for accommodation at Delhi.

Both parts of Mr. Hurston's request may be complied with. As regards funds it is doubtful whether Financial will be able to spare anything but according to the Director's revised estimate for the current year there will be a saving of Rs 75,000 under 22 - Education of which Rs 40,000 has already been transferred to the P.W. Budget. What Mr. Hurston requires can ~~be met~~ be met from the balance but Financial should see the case before orders are passed.

(References to depts. official correspondence are prohibited in official communications; the opening of Mr. Hurston's letter should be modified as shown & he should be told on his return to Madras that it has been modified.) He may consult the Finl. Dept. as at A.

It is not clear as to what portion of the saving of ₹ 75,000 referred to in the Educational note comes from the 8 lakhs grant sanctioned by the Government of India for increased expenditure under Education. The sum required for transfer to 26 SCIENTIFIC ETC DEPARTMENTS - Provincial Museums is only ₹ 3,000, and if ₹ 3,000 of the saving in the Educational budget belongs to the ordinary grant, submitted that there is no objection to the necessary transfer which should be made in Financial.

The 8 lakhs grant sanctioned by the Govt of India for increased expenditure on Education has been added to the ordinary allotment in the C.B.E. and it is difficult to say whether the saving is on it or on the ordinary allotment. The presumption however is that it is on it, but it is plain that the amount cannot be utilized in the current year & it is not clear whether Financial means that it should therefore be returned to the Govt of India.

If it is not to be returned it can be ~~very~~ very well utilized in some other direction approved by Govt. Financial may perhaps be asked.

The Educational Deptt: apparently proposes to transfer the full amount (Rs 3000) required from the surrender of Rs 6,000 from the provision for the Professor of College of Engineering. Submitted that there is no objection in Financial to the transfer as the books & major portion
