LETTER—No. 747, Educational, dated 6th December 1902, to the Secretary to the Government of India, Home Department.

I am directed to transmit a copy of a catalogue of books registered under the Press and Registration of Books Act, 1867, during the third quarter of 1902 containing the particulars specified in section 18.

ANNEXURE.

The works registered during the quarter are 280 being 9 less than the figure recorded for the corresponding quarter of 1901. This decrease is chiefly under the head of "Books". Of the total number 136 may be classed as "books" and 94 as "periodicals."

Another classification of the registered works according to languages shows that 102 are in English with diglot and triglot editions; 62 in Tamil; 65 in Telugu; 7 in Malayalam; 6 in Canarese; 1 in Badaga; 2 in Tulu; 4 in each of Uriya and Hindustani, and 27 in Sanskrit, including bi-lingual works published both in Grandha and Nagari characters.

A little over 18 per cent. of the entire number catalogued consists of works designed for educational purposes.

2. The total number of copyright registrations entered in the accompanying catalogue is 70, including three Government publications registered free of charge. Besides the above figure the copyright in the case of three other works delivered for registration during the first two quarters of the current year has been sought and registered during the quarter to which the present catalogue relates.
