C. No. 1837, From the 599, No. 8168, Dated 2-12-1902.

The draft placed below may issue.

2. The reorganization of the subordinate staff of the Medical College was sanctioned in G.O. No 422 of 29th January 1902 and the number of assistants was increased by two. The reorganization will however take effect only from the date of the opening of the Rayapuram medical school to which the hospital assistant department of the College will be transferred. ~~As the building at Rayapuram~~ ^{will} not be ready till about April next the transfer ^{will take} place only when the College reopens in July ^{following}. It is submitted that the Assistant to the Professor of Physiology should thereafter deliver a course of lectures to the Sanitary inspectors' class without any extra remuneration. The Professor of Hygiene will not receive anything extra for his work in connection with this class and there appears to be no valid reason why the Assistant to the Professor of Physiology should. If this is approved an additional paragraph ^{will be added to the draft.}
