C. No. 1829, From the Surgeon General, Dated 25th November 1902.

O. Application was made to the Govt of India for sanction to pay an allowance of Rs 150 to the Superintendent and of Rs 100 to the First instructor. vide letter no 357 Edt dt 14th June 1902. They have referred it back for further information which has only just been submitted. vide letter no 735 Edt dt 25th November 1902. It will be some time before the Secretary of State's sanction is received. Meanwhile ^{it seems to be} somewhat hard that the two officers named should go on performing their additional duties without any remuneration. On the other hand it is doubtful whether the A.G. will advance the allowances pending the sanction of the Secretary of State. He may perhaps be consulted ^{on} the subject.

P. 2. The Govt of India ^{seems to think} that the proposed allowances are too high and it is by no means certain whether even with the explanation now furnished the proposal of this Govt will be accepted. They are apparently in favour of Rs 100 for the Superintendent and Rs 50 for the instructor. If therefore the A.G. says that advances may be paid such advances may, if submitted, be limited to Rs 100 & Rs 50 respectively.

I think it is not advisable under the circumstances to anticipate sanction.
