The Chief Secretary to Government,

Financial Department.

Sir,

I have the honour to request that you will be good enough to obtain the sanction of Government to the inclusion of the two peons of the office of the Inspectress of girls' schools, Central Circle in the list of servants entitled to the free supply of warm clothing from the office of the Superintendent of Stationery and to the immediate supply to them of the articles shown in the enclosed statement.

p. 233 of
the State
Manual

2. Since G.O. No 376, Financial, dated 13th April 1893 was issued, Bangalore and Yercaud have been added to the Central girls' Circle and consequently the peons who accompany the Inspectress to both these stations require to be supplied with warm clothing at least once in two years. I understand that on the occasion of her last visit to Bangalore, about two years ago, Mrs. Brander supplied the peons of her office with warm clothing at her own expense. Bangalore is not a hill station, but owing to its low temperature warm clothing is necessary there.

I have the honour to be,
Sir,
Your most obedient servant,

G H Stuart
Director of Public Instruction

SUBJECT.

Warm clothing for the peons of the inspectress of girls school, Central Circle.

* Ascertained by telephone from the Director's office.

+ G.O. No. 485 Dtd 18-8-07 R

For orders. Warm clothing can apparently be given only to peons and menial establish-
ments going to or stationed in hill stations.
As Bangalore is not a hill station it does
not appear that any such clothing can be
allowed to the peons of the inspectress
of girls school, Central Circle, for any journey
to that place. Yet and on the other hand
is a hill station, but there are altogether only
* five schools in that place the majority
of which must be boys schools. Of the girls
schools hardly any can be of the upper secondary standard.
The inspectress is directly concerned only with these
unless they are schools for Europeans. On the whole therefore
it does not seem that the Director's application
is one to be complied with. The peons of the inspectors schools
at Central Circle are not provided with warm clothing vide
5/12/2 page 233 of the Stationery manual.

I agree.
