FURTHER PAPERS.

To

The Secretary to Government,
Educational Department.

Sir,

Referring to G.O., No. 662, Educational, dated 27th October 1902 sanctioning the acquisition of certain pieces of land for the construction of a building for the Government Training School, Chittoor, I have the honour to submit a copy of a letter from the Executive Engineer of North Arcot in which he recommends the acquisition of a strip of land to the north of the proposed building shown in the accompanying tracing as calculated to improve its aspect, and I beg to request that Government will be pleased to instruct the Collector of North Arcot to acquire it also. The Executive Engineer does not state what the cost of acquiring this strip will be, but as its size is small the cost cannot be very great.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart
Director of Public Instruction.

To

The Director of Public Instruction, Madras.

Sir,

With reference to correspondence ending with your No. 2406 of 02, dated 18th October 1902 regarding the sanctioned Training School at Chittoor, I have the honour to state that on inspecting the site I find the aspect of the building would be greatly improved if it could be thrown back a little from the road. To do this it would be necessary to acquire a small strip of land in rear, as shown in the accompanying tracing. The owners are willing to give up the land and I have the honour to enquire whether you approve of the proposal. The matter will have to be settled without delay as the work is ready to be started.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) P. Hawkins,

Executive Engineer.
