The Chief Engineer for Irrigation
Secretary to Government
Public Works Department.

Sir,

I have the honour to forward herewith an extract from the Disallowance List of the Examiners and to request that you will be good enough to obtain the sanction of Government to special exemption from the Examination Rules of the Lascars of this project.

2. There are 90 lascars sanctioned to this project and it is quite impossible to procure all passed men. Those appointed to day are not to be found tomorrow and it is not easy even to procure unpassed men to replace them daily. These Lascars are on the same footing as that of T. & S. Lascars who are exempted from Examination Rules and I would therefore request that the same concession may be extended to the Lascars of this project.

I have the honour to be,

Sir,
Your most obedt. servant,
By order

Dis. of Disallowance of the Salary Bill for Aug. 1902

No. of Memo	Name & Designation of Officer or Subordinate	Particulars of Disallowance	Reason for Disallowance	Explanation of Officer	Remarks of Head of Dept. or Examr.
1	Pay of Temporary Establishment for Aug. 1902	Disallowed	With reference to the Note at foot of the certificate forwarded with the bill in accordance with C.O. No. 2150 dated 10 August 1901, it is pointed out that the Tan Khebrahon Scheme Lascars have been specifically exempted from Examination Rules. In the case of the Lascars for whom pay has been claimed in this bill, sanction of Govt. to exemption from Examination rules is necessary.

Letter from the Executive Engineer, Tungabhadra and
 Penner Projects No.222 dated 2nd November 1902.

No 104
 12.11.02

Forwarded to the Chief Engineer, P.W.D., considering
 the large number of temporary lascars required for the
 Project works and the difficulty of procuring passed men
 to fill up the temporary posts, a general exemption from
 the operation of the Examination rules may be obtained for
 them such as that obtained for the temporary lascars of the
 T.R.S. Parties in G.O., No.1580 W., dated 11th June 1897.

S.O. No. 306
 of 27th May '97

I would recommend that in view to save labour and delay
 similar sanction be obtained for the temporary lascars
 employed not only in Tungabhadra and Penner Projects but
 also in the Kistna Reservoir and Cauveri-Bhavani reservoir
 projects.
