FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

Sir R.

With reference to G.O. No. 606 dated 30th September 1902, I have the honour to state that the Queen's Park was originally handed over by the Municipality for the location of the new Taluk Office of the Ramallakota Taluk, which is about to be constructed, but as both the Executive Engineer Mr. Wood, and myself considered that the Queen's Park which was opened in 1864 ought to be kept up as a Park, another site for the Taluk office was selected. Should it, however, be finally ~~decided~~ decided by Government that the Queen's Park should be used as a building site, both Mr. Wood and myself are of opinion that it is a much more suitable site for the Taluk Office than for the Training School. In these circumstances I request that Government will be pleased to call upon the Educational Department to select another site for the Training --- School ; several other good sites are available.

2. I may state that it is under contemplation to restore the Queen's Park, which has not been maintained for some years, in memory of His Majesty's coronation.

I have the honour to be,

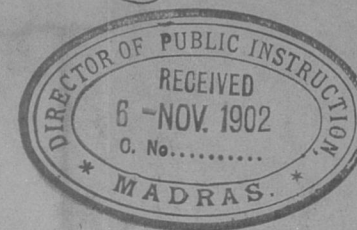

Sir,

Your most obedient Servant

Ag. Collector.
