DECEMBER.

Public Service Notification.

Accepting the recommendation of the Board of Revenue to empower the Conservators of forests to sanction the appointment of unpassed men in acting appointments not exceeding three months in duration and of unqualified men as deputy rangers, subject to their passing the tests prescribed in section 31 (b) of the Forest Code; and notifying the necessary changes to be made in the —.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper:—

Reference from the Board of Revenue (Land Revenue), Forest No. 355, dated 10th November 1902.

Read—the following paper:—

From the Acting Conservator of Forests, Northern Circle, dated 22nd September 1902, C. No. 1863.

Reference—Forest No. 355, dated 10th November 1902.

In his letter read above the Conservator of Forests, Northern Circle, suggests—

(1) that Conservators should be included in the list of officers mentioned in the note to clause (3) of article 3 of the public service notification, so as to empower them to entertain unpassed men in acting posts carrying not more than Rs. 15 per mensem for a period not exceeding three months; and

(2) that, in the absence of men who have qualified themselves by passing the forestry and departmental tests required by section 31 of the Forest Code, Conservators should be authorized to appoint unqualified men as deputy rangers, acting or on probation.

2. As regards the first suggestion, the Board resolves to support Mr. Porter; the position of Conservators is analogous to that of Superintending Engineers and the latter are so empowered in the notification in question. Considerable difficulty is experienced in securing passed candidates for the last grade of foresters and much inconvenience is felt in deferring appointments until the Board's sanction is obtained.

3. In connection with the second suggestion, Mr. Porter states that it has been customary for Conservators to appoint unqualified men on probation or acting although such a course is not authorized by the Forest Code. The Board observes that in its order, No. 318, Revenue, dated 27th May 1898, Government has already approved the proposal to recruit the class of deputy rangers from educated men, exempting them temporarily from passing the forestry and departmental tests, and it is apparently to the appointments made under the authority of the Government order just quoted that Mr. Porter refers. As, however, the custom, as pointed out by Mr. Porter, has not been sanctioned by the Forest Code, the Board would propose the following addendum to section 31 (c) thereof for the approval of Government:—

“or to suitable candidates either on probation or acting, subject to their passing the tests prescribed in (b)”.

A. R. CUMMING,
Acting Secretary.

To the Secretary to Government, Revenue department.

ORDER—No. 786, Educational, dated 22nd December 1902.

The Board's recommendations are accepted.

2. The following notification will be published in the *Fort St. George Gazette*:—

In the note to clause (3) of article 3 of the public service notification, after the words “Collectors of districts,” where they occur, the following words shall be inserted, namely, “Conservators of forests.”

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 786, EDUCATIONAL, DATED
22ND DECEMBER 1902.

[SUBJECT.—Regarding the powers of Conservators to appoint unpassed men on Rs. 15
and less per mensem for not more than three months.]

REVENUE DEPARTMENT.

From the Board of Revenue (Land Revenue), Forest Ref. No. 355, dated
10th November 1902.

With the above the Board submits with its support the following two points for
orders:—

(1) Power to Conservators to employ unpassed men in acting posts carrying a
pay of not more than Rs. 15 per mensem for a period not exceeding three months.

(2) Power to Conservators to employ unpassed men as deputy rangers, acting
or on probation, failing duly qualified men.

2. As regards (1), under the present rules such appointments can be made by the
Conservators, only with the sanction of the Board as the expression used in the rules
is the "head of the department". But in a note to the rules this power of the
"head of the department" is delegated

Vide public service notification. to the Superintending Engineers among
others. As the position of Conservators is analogous to that of the Superintending
Engineers, the Board recommends that the Conservators may also be given the power.
The proposal, if approved, will require an amendment of the public service notification
in the Educational department and that department may therefore, it is submitted, be
consulted on the point.

3. As regards (2) such power seems given by the general proposals approved in
G.O., No. 318, dated 27th May 1898, but the sanction has not been incorporated in
the Madras Forest Code. The Board proposes rectifying it by issuing an addendum
to section 31 (c) of the code, and it may, it is submitted, be approved. The order on
G.O., No. 385, Educational, dated 25th June 1896, this point also should, it appears, issue in
Educational as the addition of section 31 (c)
was approved in that department.

S. ANDISUNDARAM—24-11-02.

Educational may be consulted.

N. E. MARJORIBANKS—26-11-02.

I don't think we need object in this department. If the concessions prove
undesirable after some experience they can be revoked.

G. S. FORBES—27-11-02.

I concur.

H. M. W[INTERBOTHAM]—28-11-02.

EDUCATIONAL DEPARTMENT.

As orders in the first instance have to be passed in Educational, Revenue may be asked un-officially to consider the current as transferred to Educational, and the draft placed below may issue with the concurrence of that department.

T. KANAKASUNDARAM PILLAI—2-12-02.

P. T. THARYAN—3-12-02.

A. T. PRINGLE—3-12-02.

Yes. I agree.

M. HAMMICK—4-12-02.

To the Revenue department.

REVENUE DEPARTMENT.

There is, it is submitted, no objection to the proposal to treat the u.o. transfer to Educational as final.

2. As regards the draft, the necessity for the second sentence in paragraph I is not, it is submitted, clear. The amendment to section 31 (c) of the Forest Code, submitted by the Board, is included in its recommendations and as such seems accepted in the first sentence.

3. It is understood from Educational that the intention is to accept the principles of the recommendations alone in that department, leaving the wording of the amendment to be settled in this department on receipt of the order. Even for this, orders in two departments do not appear to be necessary. This would be simpler if Educational would agree. The Board's wording may be accepted in Revenue and a single order issued in Educational. Section 31 (c) itself was, it

N. E. MARJORIBANKS—11-12-02.

may be noted, accepted in Educational (*vide* G.O., No. 385, Educational, dated 25th June 1896).

S. ANDISUNDARAM—5-12-02.

N. E. MARJORIBANKS—20-12-02.

To the Educational department.

EDUCATIONAL DEPARTMENT.

The draft may be issued with the omission of the second sentence in paragraph I. It was thought that orders in regard to the amendment of a revenue code should issue in Revenue and not in Educational which can approve of the principle of the amendment in the present case.

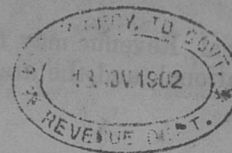

P. T. THARYAN—20-12-02.

The draft may issue.
