HIS EXCELLENCY,

The Right Honourable,

THRO'

THE COLLECTOR OF MALABAR,

CALICUT.

The humble Memorial of P. K. MAHOMED,
Copyist in the Malabar Huzur Office.

MOST RESPECTFULLY SHOWETH,

That, with due deference and great pain of mind, Memorialist begs to lay before Your Excellency in Council the following his grievances and humbly hopes that mercy will be meted out in redressing them.

That, the Memorialist respectfully begs to submit that he is a young Moplah belonging to a very ancient and respectable family in Malabar being the direct descendant of the renowned Moossa Keyi, the first and founder of "Chowakaran" family among the Moplahs of the District; that the Memorialist's lamented father Paral Moossa (the said Moossa Keyi's grandson) was a Tahsildar for many years in Malabar and rendered very valuable and efficient services to the State in the late Mopla outbreak of Kolar in Walluvanad Taluk and for which he has been thanked by the Honorable the Secretary of State, and the Madras Government (Vide copies of Despatches and G. O's.)

That, on the death of Memorialist's father in 1876 Mr. W. Logan, the then Collector of the District, sympathising with the destitute condition of Memorialist's widowed mother and orphan children and recognizing the value of his lamented father's good services, recommended to Government for a temporary pension of Rs. 50 to Memorialist's unfortunate family for a term of 10 years (vide copy of letter D.) but to the family's great disappointment and sorrow the Government refused to grant the exceptional concession proposed by the Collector.

That, even after the receipt of the above unfavorable order, Memorialist's poor mother, without losing heart and in the hope that that Government which was once the sole support of the family, would be the means of relief to herself and her little orphans in some future time, did her best to give as much education as she could to her children by selling and mortgaging what little she had; and that Memorialist appeared [redacted] for the Matriculation Examination without success.

That, the circumstances of his poor family having become unfavorable, Memorialist was compelled to leave school and seek some employment in order to maintain himself and family; that in 1893, when Memorialist was only 18 years old, he was entertained as a copyist in the Collector's Office and he has been holding that post ever since without any chance of prospects and ever since the pay system was introduced in the copyist department Memorialist's income also became scanty.

That, Memorialist further respectfully submits that though he has not passed any public examination yet he has a fair knowledge of English and has a capacity for work will be found from the fact that during his above period of 10 years' service, he was made to work in the Magisterial, Escheat, Revenue, Island and other Departments, in all of which he so properly discharged his duties always as to deserve the confidence and approbation of his immediate superiors; and that his not having passed a University Examination proves a fatal objection to his future prospects.

In these circumstances Your Memorialist most humbly and respectfully prays Your Excellency in Council will, in kind consideration of Memorialist's late father's valuable services and the miserably backward state of education among the Mahommedan Community in general and of the Moplas in particular, be graciously pleased as an exceptional case and especially on this occasion of His Most August Majesty the King Emperor's Coronation, to exempt Memorialist from the operation of Examination Rules.

For which act of kindness and gracious justice Memorialist shall, as in duty bound,

2. The Governor in Council desires that the Magistrate will convey to the Ag. Head Assistant Magistrate Mr. Winterbotham, to Captain Vesey, Lieutenant Williamson and the men of Her Majesty's 43rd who joined him at Kolatur from Malapuram, and to P. Sir,

In continuation of G. O. dated 17th September 1873 No. 1486, I am directed to request that you will specially express to P. Moossa, the Tahsildar of Angadipuram who was so prominently engaged in the suppression of the late Mopla outbreak, the highest approval by His Excellency the Governor in Council, of the promptitude, decision and sound judgment that he displayed so conspicuously on the occasion and more especially in restraining the villagers from their ill-advised movement to attack the fanatics before the arrival of troops, which, if it had taken effect, would doubtless have resulted in increased disaster.

B.

2. The Governor in Council considers that Tahsildar P. Moossa acted throughout in the best possible manner for the effectual and speedy suppression of the disturbance and the restoration of order.

3. You will be good enough to furnish him with copy of this letter.

I approve of the proceedings now reported and I consider P. Moossa, the Tahsildar of Angadipuram, to have well deserved the high eulogium placed on record by Your Lordship in Council in relation to his conduct at this outbreak.

E. THE SECRETARY, to the Board of Revenue, Madras.

Sir,

I have filled up the post of Tahsildar by confirming Paral Moossa whose conduct as Tahsildar of Walluvanad during the recent outbreak, has been highly approved and specially commended by Government.

MALABAR COLLECTOR'S OFFICE,
25th July 1876.

THE CHIEF SECRETARY, to the Government of Madras.

Sir,

F. I regret to have to inform you that the Moplah Tahsildar, Paral Moossa, who rendered such excellent service to Government on the occasion of the Moplah outrage in the Walluvanad Taluk in 1872, died at Badagara in North Malabar on the 14th of May last.

2. The event in which he took such a conspicuous part is of so recent occurrence that I consider I need do no more than recall the facts:—

I. That in para 2. G. O. J. D. 1486/17-9-73 the best thanks of Government were conveyed to him among others for the energy and promptitude with which they acted on the emergency.

II. That on 24th September 1873 a special letter of thanks was addressed to him by Government through my predecessor.

III. That in para 4 of the despatch dated 11-12-75 from the Right Honorable the Secretary of State, his conduct was again noticed with approval.

3. The Special Assistant Collector under whom he has been serving lately gave him the following certificate: "P. Moossa has maintained his high character during the three years he was Tahsildar of Walluvanad under me," from what I have seen of him since taking charge of the District I can endorse that character.

4. At the time of his sudden death he was only 41 years of age, of which 19 years had been spent in the Government service, left behind a widow and six children. I have made enquiries as to how the family is provided for and I understand that all that has been left to them by the deceased is Rs. 1,850 worth of landed property fetching in Rs. 80 annually and moveable property worth about Rs. 1,000. The widow belongs to a respectable but by no means a wealthy family; and P. Moossa's own family is not well off, indeed his mother (who survived him) his three sisters, a deceased sister's family and two brothers were to a considerable extent dependant on him.

5. Under these circumstances and taking into consideration the widow's inability from want of means to give the children suitable education I have the honor to suggest as a special case and in consideration of the good service rendered by the deceased the Government may be pleased to grant the family a small allowance for such a term of years as may be necessary to allow of the children growing up and becoming a support to their mother. If the Tahsildar had retired on an invalid pension at the time of his death he would have been entitled to a pension at the rate of Rs. 48-1-2 per mensem and I would therefore suggest that, say, Rs. 50 fifty per month may be granted to the widow for a term of, say, ten years. The deceased's service register is herewith forwarded.

I have &c.

Copies of Shool Certificates

G. Peedikakandy Mahomed was a pupil under me for nearly four years when I was Head Master of the Basel Mission High School Calicut. During that period his conduct as a school boy was very satisfactory. He writes a good hand both in English and Malayalam. He belongs to a very respectable Mappilla family and will, I have no doubt, prove himself a very faithful and worthy public servant. His father the late Tahsildar of Walluvanad rendered most valuable services to Government in various capacities in which he was employed by Government.

H. P. K. Mahomed was a pupil in the Matriculation Class in this institution. I hereby certify that, during the time he was in the school he was very industrious and highly obliging. His general conduct was very satisfactory and his attainments were very fair. His knowledge of English was superior to that of his class-mates and he writes a very good hand. Owing to his poverty, the care and maintenance of a large family prematurely devolved upon him, he had to leave the school before passing the Examination and to seek for some employments in the public service. He belongs to a respectable Mappilla family in Calicut. His father was a Tahsildar in the District. I believe he is upright and honest and trust that he will be faithful in the discharge of any duties entrusted to him.
