No funds have been provided for the work in the current year. It has been included in the list of works for next year.

It is suggested that the words "as soon as funds are provided for the work" be added to para 1 of the draft.

To The Local Dept. u.o.

The addition has been made. The draft may now issue.

2. It was however only the other day that the P.W.D. proposed to surrender about Rs 11,000 of the grant placed at their disposal for educational buildings. There is also plenty of money in the Educational budget which ^{& the amount now required} can be very easily transferred, if necessary. After issue perhaps Public works may see the file again.
