To

The Secretary to Government,
Educational Department.

Sir,

Referring to item No 121 under class B works in the Public Works budget for the current year, viz, the construction of a building for the Government Training school, Tinnevely, I have the honour to state that the site in Sindupanthurai, Tinnevely, shown in the tracing herewith submitted has been reported by the Inspector of schools, Southern Circle, to be the best available all things considered and the Executive Engineer of the Tinnevely Division who at first objected to it on account of its low level has after an inspection with the Inspector of schools of a number of other sites concurred in the Inspector's opinion and recommended its acquisition. I therefore request that Government may be pleased to instruct the Collector to acquire it under the Land Acquisition Act and the Public Works Department to prepare in consultation with the Inspector of schools the necessary plans and estimates.

2. The approximate cost of the site is estimated at Rs. 3000 and this amount should be provided by the Public Works Department.

I have the honour to be,

Sir,

Your most obedient servant,

GHS trah

Director of Public Instruction.
