JANUARY.

Director-General of Education.

Accepting, with remarks, the proposals of the Director with regard to the persons with whom the — should confer while in Madras.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, to the Secretary to Government, Educational department, dated Madras, 20th January 1903, R.C. No. 8405.

With reference to G.O., No. 695, Educational, dated 8th November 1902, calling on me to submit proposals with regard to the persons with whom Mr. Orange should confer when he arrives in Madras in February next, I have the honour to say that I propose that Mr. Orange should confer principally with myself on all the points that have been raised as the result of the Educational Conference in Simla and the report of the University Commission. The Secretary to Government, Educational department, will no doubt also wish to see Mr. Orange on points that will suggest themselves, such, for instance, as the proposal to establish Government primary schools on a large scale. Mr. Stone will be asked to give Mr. Orange an account of the system of training of teachers in force in this Presidency and to discuss possible improvements with him. If Dr. Miller has sufficiently recovered from his recent serious illness he will no doubt wish to impart to the Director-General his views on the subjects of school-fees and school examinations, and I have accordingly written to him to ask if he wishes me to arrange an interview for him. The Rev. A. Andrew in Chingleput and the Rev. E. S. Carr in Tinnevely are largely interested in the question of primary education, and I propose that, if possible, they should meet Mr. Orange in the course of his tour through the Presidency: the Rev. C. W. A. Clarke, who is now in Madras, may wish to see him on the same subject. Mr. Bilderbeck will be asked to provide the Director-General with information on University matters.

2. As regards Mr. Orange's tour, I propose that he should come straight to Madras and visit the principal educational institutions here and at Saidapet; then proceeding south to Chingleput, Kumbakonam, Tanjore, Trichinopoly, Madura, Tinnevely; thence west to Coimbatore, Palghat, Calicut, Vellore and by East Coast Railway to Rajahmundry and Vizianagram. These arrangements will, however, be subject to changes depending on the time at Mr. Orange's disposal.

3. The Inspectors of schools will be requested to meet Mr. Orange in their respective circles and, as far as they can, to make arrangements for his comfort and convenience.

ORDER—No. 26, Educational, dated 23rd January 1903.

The Director's proposals are accepted. As the Government understand that Mr. Clarke will have left Madras by the time Mr. Orange arrives, the Director should communicate with Dr. Sell, who has returned to India, and invite him to see Mr. Orange.
