JANUARY.

Delhi Industrial Art Exhibition.

Recording letter from the Director of Public Instruction stating that no more workmen from the School of Arts need be sent to the —.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, to the Secretary to Government, Educational department, dated Madras, 24th January 1903, Ref. on. C. No. 7944 of 1902.

Referring to paragraph 2 of G.O., No. 751, Educational, dated 9th December 1902, I have the honour to state that I do not consider it necessary to send any more workmen to Delhi.

A copy of Mr. Chatterton's report on the subject is herewith submitted for the information of Government.

ENCLOSURE.

From A. CHATTERTON, Esq., officer in charge, School of Arts, Madras, to the Director of Public Instruction, dated 20th January 1903, No. 25.

In reference to G.O., No. 751, dated 9th December 1902, I have the honour to submit the further report called for in paragraph 2 regarding the sending of selected instructors and students from the School of Arts to Delhi. In connection with the Madras exhibits the Assistant Superintendent of the School of Arts, the late painting instructor, the wood-carving instructor, the carpentry maistry, the two permanent metal work maistries and about twelve apprentices and workmen have already been sent to Delhi. At the end of the exhibition it will be necessary to send Mr. Viraraghavachari, the assistant in charge of the wood-carving department, to pack up the room and supervise the return of the unsold articles to Madras. The expense of sending people to Delhi averages Rs. 100 per workman and they very much object to having to go there on account of the cold climate, so that I am of opinion that it is undesirable to send more people to Delhi.

So far as I can judge from the behaviour of these apprentices and workmen, who have been to Delhi, the exhibition has not benefited them greatly. I do not think the men took much interest in any of the exhibits except those in their own particular line of work and in that particular line they almost invariably considered their own productions to be superior to those of any other part of India.
