GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, Madras, to the Secretary to Government, Educational department, dated 27th January 1903, No. 477.

With reference to paragraph 2 of G.O., No. 505, Educational, dated 25th August last, I have the honour to enclose copy of a resolution of the Medical College Council in regard to the raising of the qualification for admission to the M.B. & C.M. class and to state that I concur in the recommendation therein made.

ENCLOSURE.

PROCEEDINGS of the Madras Medical College Council, dated 15th October 1902.

Read endorsement of the Director of Public Instruction, Madras, Dis. No. 4818, dated 29th September 1902, paragraph 2, on G.O., No. 505, Educational, dated 25th August 1902, reviewing the report on the working of the Medical College during the year 1901-1902.

Resolution.—Resolved that the council do not consider that the time has yet arrived for making the B.A. degree the entrance test for the M.B. & C.M. examination of the University of Madras.

The paucity of entrances to the L.M. & S. and the marked increase in those for the M.B. & C.M. section in recent years is due to the changes introduced a few years ago by the University into the curricula for these two degrees, and sufficient time has not elapsed for the equalization of the numbers entering therefor. In the last three years 94 students have entered for the M.B. & C.M. courses and 19 for the L.M. & S. courses, but of the former 27 have after one year or two of the M.B. courses elected the shorter, cheaper and less stringent courses of the L.M. & S. It will be obvious from this that in a very short time the numbers who graduate for the two degrees will not show the extreme disparity that at present exists between the two sections of the college department of this institution.
