C. No. 1972.

SUBJECT.

An additional grant to the Victoria Students' hostel

The draft placed below may issue with the concurrence of the Financial Secy.

The reappropriation statement submitted by the Director has been incorrectly prepared. The Victoria hostel is constructed by the P.W.D. as a contribution work and the expenditure on it cannot therefore be incorporated into P.W. accounts. The present amount cannot then be transferred to the P.W. Budget. The original grant for this purpose (Rs 70,000) appears under 22.9. Miscellaneous. Students' hostels. This amount was drawn by the Victoria Hostels Committee & placed at the disposal of the Consulting Architect. The additional amount now required must be similarly placed at the disposal of the C. A. for this purpose it should be transferred to 22.9. Miscellaneous. The reappropriation statement has been corrected accordingly.

The Finl. Deptt may be consulted in the matter.  
In any case the reappropriation requires the  
previous approval of that Deptt under rule 93-B.

C. No. 4 R., From the Educational Department, No. 1-D, Dated 9 - 1 - 1903.

For the C.S.

Rule 93-B of the Budget rules being a rule governing procedure between Secretariat departments has been taken out of these rules. Questions of reappropriation such as the present are governed by the rules in G.O., No. 1058, Financial, dated the 23rd November 1901. Under rule (i) in that order all that is necessary in the ~~present~~ ~~previous~~ case is the previous concurrence of the Financial Department. The remark of the Accountant-General in his endorsement No. Bud.777/8854, dated 18th December 1902 that the sanction of the Financial Department is necessary is not understood.
