With reference to memorandum No. 341 Educational dated 26th ultimo, I have the honour to state that out of the allotment of Rs. 5,000 for contingencies for the carpentry -- department of the School of Arts in the current year's budget a sum of Rs. 500 has been expended up to date and Mr. Chatterton requires Rs. 1,500 more to meet the expenditure before the close of the current year, including the cost of a large number of blocks supplied by Messrs. Wiele & Klein for the price lists. The balance of Rs. 3,000 he desires to have transferred to the 'Miscellaneous department' for which he states an additional allotment is required under materials and wages of workmen. I am corresponding with him on the subject.

To

The Secretary to Government,
Educational Department.

Sir,

With reference to memo No 400, Educational, dated 17th December 1902, I have the honour to enclose copy of a letter from Mr. Chatterton, No 39, dated 22nd ultimo giving the information required by Government. Mr. Chatterton further says that the charges for the half tone blocks for the Aluminium Department have been met from the provision of Rs. 1000 in the current year's budget for office expenses. In regard to the price list for the carpentry department, he is not able to furnish a detailed estimate as the number of illustrations available has yet to be ascertained, but he proposes to spend a sum of Rs. 2000 during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

No 39.

22nd January 1903.

From

The Officer in charge of the Aluminium Department,
School of Arts, Madras.

To

The Director of Public Instruction.

Sir,

In reply to your Ref. on G. No 8428 of 1902, I have the honour to state that separate price lists are being prepared for the Carpentry and Aluminium Departments of the School of Arts. The latter price list has been in the Press for some time and is now nearly complete. The total cost for 5000 copies is estimated to be Rs. 1926 - made up as follows:-

Half tone blocks	Rs. 700
Paper for Do	468
Cost of printing at the Government Press	433
Cost of paper supplied by the Press	325
	1926

The charges on account of the half tone blocks have already been paid from the current year's allotments and the charges for paper and printing made by the Government Press do not come into our accounts.

With regard to the price list for the cabinet work provision was made in the budget for a sum of Rs. 5000 for the preparation of illustrations and printing, but it was subsequently found that the majority of the photographs of work executed in the past 10 or 15 years in the School of Arts were unsuitable for reproduction and the issue of this price list has consequently been delayed pending the collection of a sufficient number of suitable photographs of work done in the school. All the work prepared for the Delhi Durbar Exhibition has been photographed and from the negatives suitable blocks can be prepared. The expenditure upon this up to date has been Rs. 252 and from these negatives a number of blocks have been ordered from Messrs. Wiele & Klein and the cost of the same will be met from the allotment. As it is impossible to complete this work this year I have surrendered Rs. 3000 out of the Rs. 5000 originally

sanctioned and have made an application for the renewal of the allotment next year.

With regard to the preparation of the catalogue Mr. Thurston has been entrusted with the preparation of a monograph on South Indian Wood carving and it is proposed that Mr. Thurston should contribute the letter-press and that the School of Arts should supply the illustrations for the same, and by a slight modification in the form of the monograph it will serve admirably as a catalogue or price list of art furniture. The cost of producing the same, it is proposed, should be met from the provision made in the budget of the Carpentry Department. It is hoped, if funds are available, to complete this price list during the current calendar year.

I have &c &c

Officer in charge.

Some proposal to spend Rs. 5,000 on a catalogue or price list lingers in my memory. Was it for the whole school of arts?

If so this will have to be an instalment of the whole.

The order has issued. As regards the point noted by H.M. a sum of Rs. 5,000 was provided, in the current year's budget estimate of the Carpentry department of the School of Arts and Mr. Chatterton said that the bulk of this amount was for the preparation of an illustrated Catalogue. Please see page 10 of G.O. no 5 Dated 2nd January 1902. The amount was intended to serve only a portion of the school of arts, not the whole.

I fancy it was the
