To

The Chief Secretary to Government,

Judicial Department.

Sir,

3  
Through the Inspector-General of Registration, Madras.

To,

His Excellency the Governor in Council,

FORT ST. GEORGE, MADRAS.

The humble Memorial of P. C. MOITHIYAN KUTTI, 5th Clerk,  
Sub-Registrar's Office, Koduvayur, Malabar District.

MOST RESPECTFULLY SHEWETH,

That the Memorialist is a member of the Mopla Community at Chavakkad and is the second of the four sons of his father, but a document writer, **having no means of livelihood** except his daily earnings for the maintainance of his large family consisting of 8 members and the eduction of his sons. At the Chavakkad Board Lower Secondary School the Memorialist at his father's expense prosecuted his studies up till 1893 when he was sent up for the Lower Secondary Examination, but unfortunately he met with a failure, with the result that the Pecuniary difficulties his father was embarrassed, necessiated the immediate discontinuance of his further studies at the School, but however, by dint of perseverance, the Memorialist in the year 1894 appeared as a private candidate and passed the Lower Secondary Examination in all the compulsory subjects and one optional subject, viz., Malayalam and it was only in 1896 he passed in the 2nd optional subject, mathematics, and obtained a certificate he now holds. In November 1896 the Memorialist had to get himself entertained as a clerk in the Registration Department, at the Sub-Registrar's Office Kuttipuram, on a pay of Rs. 14 per mensem, **he having had no hopes of further studies and having had to earn his livelihood himself, on account of his father's impecuniosity.** In September 1898 he was transferred to Andathode, whence in May 1902 to Koduvayur Sub-Registrar's Office, on the same pay, where he now works. He has thus put in a blotless service of more than 6 years.

II. That ever since his entertainment in the Department, the Memorialist having had to spend all his time to attend to his legitimate duty, could find no time to study for the requisite lowest University Examination, to qualify himself for the superior service, viz., **Matriculation, the failure to pass which not only stood in the way of his promotion up till now, while many of his juniors have already superceded him, but also is a bar to his future promotion to any appointment of and above Rs. 15 pay, and to pass which at this stage, is next door to impossibility for the following reasons:—**

i. The Memorialist has to work hard at the office from morning till evining and sometimes later, to complete his daily work, **whereby he gets so far exhausted as to be thoroughly incapacitated to comprehend anything if read at night.**

iii. Granting that he intends appearing privately, availing himself of Extraordinary leave without allowances under article 372, he has *no means to purchase the requisite books, no means to pay for a private tutor, and no means for his maintenance*, not to speak of the facts that he has none to render him any pecuniary help and that the monthly pay he draws serves but for his maintenance, leaving **not a pie saving**. It is therefore **beyond his reach to prepare himself and pass the said examination.**

IV. That as to the issue whether he deserves an exemption at the hands of the Government, the Memorialist most respectfully begs to submit that,

|    |                                                                              |
|----|------------------------------------------------------------------------------|
| 1. | V. Abbu Buker, Clerk, District Munsiff's Court, Betanad.                     |
| 2. | T. V. Chekku, Clerk, Collector's Office, Calicut.                            |
| 3. | Hydros Do. Do. Do.                                                           |
| 4. | Ahamed Katty, Sub Inspector, Salt and Abkari Department, Tellicherry Circle. |

iii. He is now 25 years of age and has not been up till now coupled, although, to rise betimes and to marry young, are what no man ever repents of doing in as much as there is nothing which so settles the turbulence of a man's nature as his union in life with a high-minded woman, in whom he finds rest, contentment, and happiness—rest of brain and peace of spirit, and his unavoidable failure was because **his pay was insufficient to maintain himself and his family** at a place Koduvayur, 65 miles off from his native place Chavakkad. He regrets he has no hopes of marrying till he gets more pay, and more pay he cannot draw till he is favoured with an exemption. All his hopes for a marriage, a source of honor and happiness far exceeding all the rest and all his future prospects therefore are centred at the **mercy of the Government.**

With the above representations the Memorialist begs to approach Your Excellency and beseech that he be exempted from the Examination rules so as to be qualified for an appointment in the superior service. For which act of Justice and mercy he shall as in duty bound.

Ever Pray.

KODUVAYUR.

2. The Abrenonist, though he had passed only the Lower Secondary Examination, can be considered as possessing the knowledge of an ordinary Abren-

also an efficient clerk. I beg to submit further  
that he, not only as belonging to the Abren Com-

deserves a special encouragement so as to be

i. The Memorialist holds only a certificate of his having passed the Lower Secondary Examination, but the lowest University Examination to be passed to be qualified for the superior service is the Matriculation, the failure to pass which not only stood in the way of his promotion during his 6 year's blotless service, but also is a bar to his future promotion to any appointment of and above Rs. 15 pay.

iii. It is only in case of his exemption from the Examination rules that he can have hopes for future prospects, and the Government only has the power of exempting him.

iv. He is a member of the Mopla Community that always stands in need of a special encouragement from the Government which has recently exempted 4 Mopla Subordinates of the Memorialist's status.

v. He has been discharging his duties conscientiously and to the best of his ability and has given to all his superiors entire satisfaction.

vi. He could not marry although he is now 25 years old, his Rs. 14 pay being insufficient to maintain both himself and his family and he has no hopes for a marriage till he gets more pay i.e. till he is favoured with an exemption.

vii. In honor of the Coronation of His Gracious Majesty The King and Emperor of India and of the Delhi Durbar the Memorialist is entitled to an exemption from the Examination Rules, while concessions after concessions are day by day granted by not only the Government but also the chiefs and Maharajas of Several Native States as reduction of tax, release of prisoners, etc.

C. No. 129.

SUBJECT.

Exemption from the Examination rules.

This is an application for exemption from the examination rules from one Muthi - ud - din Kuthi, fifth clerk in the sub registrar's office at Koduvayur in the Malabar district. The applicant is a mappila of the Ponnani taluk and has passed the lower secondary examination. He has ~~in~~ put in a service of more than six years and the sub registrar speaks well of him. The district registrar and the inspector general of registration however have no remarks to offer in support of the application, but simply submit it to <sup>the</sup> Government. Orders are solicited. The inspector general is new but it seems advisable to ask him whether he would recommend the exemption. The application may perhaps be granted.
