EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 105, EDUCATIONAL,
DATED 10TH MARCH 1903.

[SUBJECT.—*Re-employment in Government Service of T. S. Subrahmanya Aiyar who has been dismissed from the Educational department.*]

PUBLIC DEPARTMENT.

Petitions from T. S. Subrahmanya Aiyar, dated 13th and 26th January 1903.

The petitioner previously asked in general terms, whether a person dismissed from one department of Government was at liberty to seek employment in another department. He was informed in G.O., No. 891, Public, dated 13th October 1902, that in the absence of details as to the grounds of dismissal, it was impossible to answer his question. He now gives particulars of his own case, and states that his appeals have been considered in the Educational department. The Educational department may be asked u.o. whether the present petition may be transferred to that department.

C. S. SIMPSON—2-2-03.

There is an order explaining difference between “dismissal” and “removal.” I think it lays down that a person dismissed cannot be employed again without sanction of Government whereas person “removed” may be re-employed in another situation. Put up the order to which I refer [see Board's Standing Order No. 133, paragraph 9 (ii)]. Is it clear whether the petitioner should state in what capacity he wants to be employed before obtaining sanction of Local Government to be re-employed?

A. Y. G. CAMPBELL—3-2-03.

The order referred to is G.O., No. 552, Public, dated 5th July 1895. The petitioner apparently wishes to obtain general permission to seek employment in departments of the State other than the Educational department. On the face of it, the petitioner's offence does not appear to be so heinous as to warrant exclusion from all departments of the State, but the circumstances of his dismissal will be known in the Educational department, which may be left to deal with the petition.

C. S. SIMPSON—3-2-03.

Petitioner requests general permission to seek re-employment in Government service, though he was dismissed. Submitted that such petitions may be disposed of in the department in which he was serving. It will be open to any officer to whom he applies for employment to decline to appoint him if he considers that he should not be employed in the particular appointment, although he may have obtained general sanction to seek re-employment.

A. Y. G. CAMPBELL—4-2-03.

G. STOKES—5-2-03.

To the Educational department.

EDUCATIONAL DEPARTMENT.

The Director has decided that Subrahmanya Aiyar should not be re-employed in the Educational department, but the offence for which he was dismissed was not so serious as to warrant his exclusion from Government service altogether. If therefore the head of any office wishes to employ him, it is submitted that no objection need be raised. He may be informed accordingly.

P. T. THARYAN—10-2-03.

Primâ facie, dismissal precludes re-employment (paragraph 3 of Home department letter No. 10 P.—917, dated 15th June 1895). In this case, much depends on the character of the pseudonymous letter. Such an attack is always bad, and may be very bad. I think the Director of Public Instruction's opinion and the pseudonymous letter should be obtained.

F. HANNYNGTON—23-2-03.

From the Director of Public Instruction, No. 995, dated 27th February 1903.

The Director submits for the perusal of Government the pseudonymous petition called for in endorsement No. 99, dated 14th February 1903. He says that it is for the Government to consider, whether, having regard to the circumstances of the case, the re-employment of the clerk in any department may be permitted.

K. E. RAMAN UNNI NAYAR—4-3-03.

P. T. THARYAN—4-3-03.

The petition is neither better nor worse than the usual pseudonymous petition against an official superior. I think it would be inadvisable to allow the writer of it to seek re-employment.

F. HANNYNGTON—4-3-03.

Petitioner "got into misunderstandings" with the Sub-Assistant and proceeded to manufacture a pseudonymous petition against him. In this, the Sub-Assistant is charged with receiving supplies gratis and with not holding examinations at the schools. It is not now alleged that these charges are true, and the petitioner has been rightly dismissed by the Director of Public Instruction. I think his dismissal should now be gazetted under Home department letter No. 10 P.—917, dated 15th June 1895, and the pseudonymous libeller declared unfit for further service.

A. G. CARDEW—5-3-03.

On his explanatory petition which is in the file, I should say he is unfit for Government service in any department. But it is unnecessary to pillory him now at this date in the gazette. He is 26 years of age and cannot be employed. Tell him that he will not be re-employed by Government.

J. T. [HOMSON]—6-3-03.

The draft placed below may issue.

May it please the Government,
I most humbly beg to submit the following for
early and favorable orders.

I was a permanent clerk in the Educational
Department till 22-11-1901, when I was dismissed by the
Director of Public Instruction for some mistake of
mine in his Proceedings Dis no 6094. The dismissal
order is clear enough to say ¹⁵⁻¹¹⁻⁰¹ rehabilitation that he has
not debarred me completely from entering into the
Government Service. On a review petition being
preferred to the same office on 2-4-02, he has
ordered in his Proceedings Dis no 3865 ²²⁻⁷⁻⁰² that
"I will not be re-employed in that (Educational) Depart-
ment." From this order I am to conclude that
the Director of Public Instruction is not for re-employ-
ing me in his department, but he has permitted
me to seek for employment in other departments.

Under these circumstances I most humbly
for the early orders of the Government whether I may
seek for appointments in the P.W.D. whether
permanent acting or temporary, as the case
may be. Begging to be apologised for the trouble,

I most humbly beg to remain,

Sir,

I received the following order from the Inspector of Schools, Southern Circle, on my petition dated 30th January 1903.
No. 98 Dg dated 7th February 1902.

"With reference to his petition dated 30th January 1903

"him to seek employment in other departments,
"T. S. Subrahmaniam is informed that there
"is nothing in the order quoted by him in permitting
"him to seek employment in other Departments
"though it does not prohibit him from doing so.

(Signed) C. Nagojee Row
Inspector of Schools
S.C.

Under the above circumstances I most humbly
beg permission of the Government to permit me
to seek employment in departments other than
the Educational, whether permanent, acting or
temporary, whether carrying pension or no, as I
think that ^{both} the Director of Public Instruction
and the Inspector of Schools, Southern Circle,
have no objection to my being employed
in departments other than the Educational, from
the orders read above. I was permanently enlisted
in the Government Service on 30-3-1900, that is,
when I was 23 years 4 months and 12 days old. I ceased
to do duty from 23rd November 1901. My humble prayer
to this merciful Government made on the 25th January 1903
on this subject remains unanswered.

I most humbly solicit very early and favorable
orders of the Government on the subject and begging
to be apologised for the trouble,

I most humbly beg to remain,

Sir,

In returning the papers received with Endorsement No. 99, Educational, dated 14th instant, I have the honour to submit the pseudonymous petition therein called for and to state that before the Assistant Inspector the clerk admitted having written the petition, but in his written explanation he only admitted having prepared the draft at the instigation of the temporary clerk who, he said, copied it in a feigned hand. The clerk's complicity in the affair having been established by his own admission, he was dismissed from service. He applied to me for a reconsideration of the order but the applications were refused. In regard to his reemployment in other departments, it is for Government to consider whether, having regard to the circumstances of the case, the reemployment of the man in Government service may be permitted.

Most Respectfully Sheweth.

We the undersigned teachers in the Tution
Range beg to Submit the following few lines to your
Kind notice and for favor of very early and
necessary action.

We are the teachers some employed in mission schools,
and some in non-mission schools when our schools being examined
by the present Sub Assistant Inspector P. Rengaswamy Iyengar in
the last 2 months he wanted us to bring students of certain schools
to a distant place, whose distance will be not less than 2 miles
from the school villages, lest our schools will be declared in eligible
for grant examination this year, and he will make result very
poor. Being afraid of that, we had to take only the grown up boys
to a distance of even 5 miles. Consequently it is needless to tell
your honor the boys that were presented were below the expected no.
of boys being very young. This we obliged to the Sub Assistant
with the expectation that the boys that were presented for the examina-
tion would be made to pass justly. But in vain: The Sub Assistant
was not satisfied with the supply. He takes his whole family on
circuit, if we were to supply him with what he wants, we are
put to a great loss by supplying for 4 or 5 souls per diem
with a very small amount of grant we draw.

2. If the Sub Assistant is to work in this way we are at
a loss to know why we should supply him with the necessary
atables, may, bandies too for conveyance, all, of course gratis
we are of humble opinion that to oblige the Sub Assistant with
all the above things is not our duty.

3. It is highly regretted on the part of this officer to do
injustice to us. Further we beg to submit that this man carries
no esteem with him. If it be the object of Government to rise
education we request that your honor will be pleased to
transfer this Sub Assistant. No proof is necessary for all
his actions. If this man is to made to continue here, we
submit that we are not prepared to present our boys for
grant examination. Summary transfer of this man
will be very effectual.

We beg to
