SUBJECT.

Increased subsistence allowance to the Malay states students in the Medical College

—

R. In his letter printed in G.O. of 27 Feb. of 24th January 1903 the Resident General intimated that the rates of College fees and salary allowed to the Perak students at the Madras Medical College had been increased with effect from the 1st January 1901 and in paragraph 3 a request was made that the arrears due up to the end of 1902 might be paid. In G.O. of 27 Feb. of 24th January 1903 instructions were accordingly issued for the payment not only of the increased rates but also of the arrears due.

R 2. In the present letter the Resident General asks that increased payments may be made with effect from the 1st January 1903. ~~The Resident General may therefore be asked whether the arrears which may have already been paid by this date should be recovered.~~

The Accountant General may therefore be asked to

whether the arrears have been paid and if his answer is in the affirmative a reference may be made to the Resident General whether they should be recovered.
