Notification

Notification no 56, dated the 9th May 1894, as published in Part I of the Fort St. George Gazette of the 29th idem will be modified as follows:—

In note 2 to article 2, between the words "undergraduates" and "shall", the following words will be inserted, namely:—

"except those who have been — trained and have obtained teachers' certificates."

In Schedule B, in column 3, under "Educational Department", the following clause will be added, namely:—

"Trained undergraduates who have obtained teachers' certificates are not required to pass in handwriting and in dictation as prescribed under first language (English) in the Upper Secondary Examination Notification."

C. No. 379 From the C. L. E. No. 42 dated 6 3 1903.

SUBJECT.

Alterations in the public Service notification.

The changes proposed by the Commission do not fit in with the plan of the public Service notification. The concessions granted to various classes of persons under the public Service notification all appear under article 4, & the present concession to the teachers must therefore appear under it. A fresh notification has accordingly been prepared & it may be approved & published in the Fort St George Gazette.

Please see draft placed below.

The ~~Director's~~ ^{Commission's} draft notification seems to be a rather curious production on the whole. The original public service notification published under G.O. No 317 Ed. dt 9th May 1894 is quoted in the preamble but this has been modified ^{again} over & over and re-published. The practice has ^{been} therefore to refer to the Public Service notification as last published. Again the proposal approved

in G.O. No 84 Ed. dt 17th February 1903 was practically
to exempt trained undergraduates for appointments
as teachers in Training girls schools. Under the
~~Commis~~ draft however the exemption applies to
their employment in clerical posts also, ^{but this was not intended.} Thirdly
the second part of the notification is quite unnecessary -
in fact Schedule B is not the place for an exemption
of this sort.

2. G.O. No 84 Ed. dt 17th February 1903 makes
a concession in favour of certain teachers in govt
schools and article 4 is the place for all such
concessions. It is submitted therefore that
the draft placed below may issue.
