Madras Civil Orphan Asylum
Egmore 5th January 1903.

From,

The Hony: Secretary,
Civil Orphan Asylums.

To,

The Secretary to Government,
Educational Department,
Fort St. George.

Sir,

1 I am desired by the Directors of the Civil Orphan Asylums to submit the following facts for the orders of Government.

2 Sometime in October last, Major Crawford, the medical officer of the Civil Orphan Asylums, recommended that boy Brammer, who was suffering from general debility, should be sent to a cold climate for a few months.

3 The Principal of the Lawrence Asylum, Lovedale, was asked whether he would receive the boy as a boarder.

4 In refusing the request, he added that though he "would much like to have the delicate little chap" he had "no authority to receive the boy" from the Asylum.

Sig. O. G. O. No. 252 dated 26th August 1871 rules

that the Civil Orphan Asylums shall receive a small number of children belonging to the Lawrence Asylum should the climate of the hills prove unsuitable for them, but there is no ruling that in return the Lawrence Asylum should receive children of the Civil Orphan Asylums requiring a change.

5 As a matter of fact, there is now in the Asylum boy Jarvis belonging to the Lawrence Asylum, while, in consequence of the inability of the Principal to receive boys Flannery and Brammer from the Civil Orphan Asylums, they have been sent to Whitefield as boarders in a private family.

6 The Directors consider that this latter arrangement is not a desirable one. I am to ask that Government may be pleased to remove the disability from which the Civil Orphan Asylum now suffers, and to place the two institutions, as regards the interchange of pupils, on the same footing.

7 The number of boys seeking a transfer on Medical grounds is extremely limited and the Directors understand that, in consequence of the present system of recruitment in the Military Service, the admission of these boys will cause

no inconvenience.

8. A copy of the resolution is herewith enclosed.

I have the honor to be,

Sir,

Your most obedient Servant,

J R Coombes

Hony. Secretary Civil Orphan Asylums.

[Endt. no. 20 dated 20-1-03]

[From the D.P.I. no. 1441 dated 10th March 1903]

The Committee of the Lawrence Asylum say they will be glad to meet the wishes of the Directors of the Civil Orphan Asylum as far as possible, but that in the interests of children awaiting admission to the Lawrence Asylum

asylum, each case should be considered on its merits.

2 Orders are now solicited as to whether it would be sufficient if we merely communicated the Committee's reply to the Directors of the Civil Orphan Asylum or if it should be ruled that the Lawrence Asylum should receive a small number of children belonging to the C.O.A. who might require a transfer to the hills on medical grounds. (vide page 2 of the current file). The Law: Asylum does not seem to be under any obligation to receive a certain number of the C.O.A. pupils as the C.O.A. is to receive pupils from the Lawrence Asylum. The Civil Orphan Asylum received the buildings of the Military Male Orphan Asylum gratis and undertook to receive in return a small number of the orphans belonging to the Lawrence Asylum (with which the Military Male Orphan Asylum was amalgamated).
