To

The Secretary to Government,

(Through the Accountant-General, Madras).

Sir,

In my letter No. 12036, dated 4th December 1900,

I recommended to Government the grant of a fixed monthly allowance to the Sub-Assistant Inspector of Sanskrit Schools, but this recommendation was not approved on the ground that the necessity for it was not established. The reasons which were ^{then} adduced in favour of the recommendation still continue to exist and the Sub-Assistant urges that his actual expenses during his tours far exceed the allowances claimable under the rules and that he is being put ^{to} considerable loss. He accordingly requests that, for the purpose of drawing mileage for road journeys, he be treated as an officer of the second class, so that he may be entitled to a mileage of four annas instead of two annas to which he is ^{now} entitled and that he may be granted daily allowance at the special rate of Rs 2 a day. I beg strongly to recommend that his request be granted and that the Government of India may be addressed for the grant of the concession.

I have the honour to be,

Sir,

Your most obedient servant,

J. N. Scott

C. No. 438 From the S. P. I. R. C. No. 7431 dated 7th March 1903.

SUBJECT.

Travelling allowance of the sub-assistant inspector of Sanskrit Schools.

This sub-assistant draws a pay of Rs 75 per mensem & is borne on the Director's establishment list as he is also an assistant to the Director. He draws no permanent monthly travelling allowance like other sub-assistants, ^{but} when he goes out on inspection duty he draws the travelling allowance admissible under the Civil Service Regulations. As this allowance was considered insufficient to meet his actual travelling expenses, the Director recommended in 1900 that he ^{might} be given a permanent monthly travelling allowance of Rs 50. The recommendation was fully considered & the Govt came to the conclusion that no case was made out for such a fixed allowance - vide G.O. no 162 d/20th March 1901.

H.

The Director now recommends ^{for the purpose} that the sub-assistant ^{may} be treated as an officer of the Second class so that he may be entitled to mileage of four annas instead of two ^{and that} he may be granted daily allowance at

at the special rate of Rs 2. This recommendation which is in substance the same as the previous one, requires the sanction of the Govt of India. The Director says that the circumstances continue the same, but does not attempt to make out a case nor advance any new grounds for a reconsideration of the question. A reliable statement of actual expenses may have shown whether a fixed allowance was necessary but it is inadvisable to call for it & so long as the Director has not taken pains to put a proper case before Govt, it is submitted that the request may be again refused.

At present there is no case at all, & I can't imagine what is the use of ^{the Director's} sending up a recommendation without adequately stating the grounds on w^h it is based. Shall it be rejected, or further informⁿ called for?

The Director is fr. greatly doing this sort of thing and you had better draft a file order which will show why the first order was issued, and finish up by telling him that when Govt is asked to take ~~proper~~ action in any particular w^h it imports that adequate ground will be adduced in justification

ORDER

No. 137, dated 25. 3. 1903

Mis

80 no 162 Gold 20-2-01. Slip H.

In December 1900 the Director recommended the grant of a permanent monthly travelling allowance of Rs 50 to the Sub. asst. Inspector of Sanskrit ^{Schools} on the ground that the amount of the ordinary allowance which he could claim under the C.S.R. was considerably less than his actual travelling expenses. In support of this recommendation the Director submitted a statement which showed that for a tour

costending over 70 days ~~which~~
during which the Sub-assst.
had to travel 760 miles by
country cart, his actual expenses
amounted to Rs 274 while
the allowance due under the
C.S.R. was only Rs 147. ~~It seemed~~

to Govt, however, that ~~no~~
reliance could not be placed
in this statement, ~~in which~~
the Sub-assst. had greatly
exaggerated his legitimate
expenses and the proposal
was accordingly rejected, the
Govt. merely remarking that
the Director ^{had} failed to establish
any necessity for the grant
of ^{the} permanent allowance
of Rs 50 asked for.

2. The Director now urges
a reconsideration of this
decision and requests that
the Sub-assst. may for purposes
of travelling allowance be
treated as an officer of the
second class and granted a
daily allowance of Rs 2 and
a mileage of four annas.

Beyond

ON further enquiry it was
ascertained that the statement
of actual expenses included those
of the Sub-Ass't's family, and
as the basis of comparison was
thus vitiated, the concession
was negative.

If it is desired that the matter
should be reconsidered by Govt.
~~the~~ information should be
furnished as to the grounds on
which the proposed concession
~~is~~ involving, as it does,
a reference to the Govt. of India,
can be supported.

3. ~~The P.O. requested to~~
~~be considered when the Govt.~~
is asked to take action in
any matter, the reasons
on which the request is based
should ^{always} be clearly & definitely
stated, in order that the Govt.
may be able to judge whether
adequate grounds for the
recommendation ~~do~~ exist.

Beyond stating, however, that
the reasons which were adduced
in 1900 and which were ^{then} con-
sidered to be insufficient
still exist, the Director does
not advance any ~~ground~~
in ^{support} ~~justification~~ of his request.
to ~~reopen the case~~. ~~The Govt.~~
~~must therefore decline to~~
~~comply with the request.~~

3. The Govt. ^{would} ~~at~~ the
same time, constrained to
ask the Director to see that
whenever he desires ^{particular} ~~to take~~
action in ^{taken} ~~any particular way~~,
as in the present case, he
adduces adequate grounds in
justification of his request.
