To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government to the purchase from Messrs. W.A. Beardsell and Co. and Messrs. Hajee Badsha and Co. of six second hand domestic hand looms at a cost not exceeding Rs. 1500. Mr. Chatterton reports that the looms which have been used ^{but} little, are the best type available and are capable of turning out a great variety of work and that the price proposed to be paid is but two-thirds their original value. Three of the looms are required for the use of the Weaving Department of the School of Arts and Mr. Chatterton proposes to lend the other three to the following schools on condition that they are regularly used and kept in good order:-

Wesleyan Mission Industrial school, Karur

S.P.G. School, Nazareth

and Reformatory school, Chingleput.

I think that examples of these looms should be in use in industrial schools and the proposal to lend them to the three schools has my support.

2. The charge, if sanctioned, will be met from the provision for tools and plant for the Weaving department in the budget estimate for the current year.

3. I request the favour of very early orders on this letter so that the purchase of the looms may be made before the 31st instant.

I have the honour to be,

Sir,

Your most obedient servant,

G.H. Stuart

Director of Public Instruction.

C. No. 512, From the *DPD*, No. 2067, Dated 23-3-1903.

Subject. Purchases domestic handlooms.

Of the six looms three are said to be required for the use of the weaving department of the School of Arts and one for the Reformatory School. The purchase of these four may be sanctioned.

2. The remaining two are required for private institutions and I submitted that there is no reason why Govt. should buy these for them. Mr. Chatterton is trying to demonstrate the usefulness of these looms and if private schools are satisfied, they are sure to buy them. If not there is no use in trusting them to the institutions.

I cannot quite agree with this. It is only proposed to lend the looms to the schools as models. I think the purchase of all six should be sanctioned.
