C. No. _____, From the _____, No. _____, Dated _____ 190

Subject. Vacancies in the Indian Educational Service.

In despatch no 3901 d 11th November 1902 the Secretary of State was requested to select and send out four persons permanently and one temporarily for eighteen months for filling up vacancies in the Indian Educational Service. No reply has yet been received to this despatch but the Director is very urgently in need of officers to fill the posts of Professor of Mathematics and Professor of History in the Presidency College, and the Junior Inspector of Schools. May the Secretary of State be asked by telegram to say how matters stand at present?

The D.P.D. is anxious to get Mr. Middlemore as his deputy as soon as possible, & would like the S. of State reminded.

Educational DEPARTMENT.

C. No. 501, From the Secretary of State, No. , Dated 18-3-1903.

Subject. Vacancies in the Indian Educational Service.

The Secretary of State desires to know when the Inspector of Schools and the Vice-Principal of the Teachers College whom the Madras Fort has asked His Lordship to select & send out will be required. The Inspector's post is already vacant or will fall vacant on the 31st instant. The Vice-Principal's post is practically vacant since Mr. H. S. Duncan who ^{held} it has been put in to act elsewhere and will not revert. The Secretary of State may therefore be informed that these officers are required at the earliest possible date.

2. ~~There is however~~ the need for a Professor of Mathematics and a Professor of History in the Presidency College is however ~~great~~ more urgent & His Lordship may be asked as suggested in another paper submitted to the A.S. when these may be expected.

In fact, we may say that all four officers are wanted at once.
