Sir,

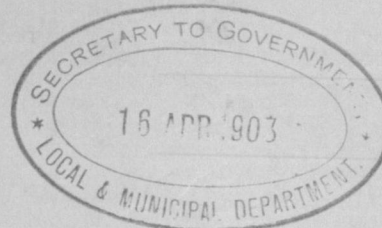

The Collector of Kistna recommends as a suitable site for a building for the Government girls' school, Vetapalem one of the works included in the Public Works budget a plot of ground of 1 acre and 32 cents in extent bearing old survey No 365 and lying to the east of the choultry and bungalow compound and opposite to the pound in the station. The Executive Engineer, Kistna Western Division, approves of the site and I have the honour to request that Government may be pleased to instruct the Collector to acquire it and the Public Works Department to prepare in consultation with the Inspectress of girls' schools, the necessary plans and estimates.

2. The cost of acquisition which is estimated at Rs. 200 an acre should be met from the Public Works budget.

I have the honour to be,
Sir,

Your most obedient servant,

G. H. Stuart
Director of Public Instruction.

@ W. Department

Note for Govt.

The provision has been made in the Provincial Civil Works budget for the current year on account of the Govt. Girls' School at Vetapalem. But it will be time enough to consider the question of funds at the time of publishing the land acquisition notification which will be submitted to us. The publication of the notification can be delayed until funds are provided. There will, however, be no objection to the Collector taking steps now in the direction of acquiring the land. It will make the landowner know that the Govt. has necessity for the site. No objection therefore need be raised to the ^{Educational} draft below. ~~in Education~~
