STATEMENT OF THE OBJECT, AND AN APPEAL IN BEHALF OF THE CIVIL ORPHAN ASYLUMS.

The MADRAS CIVIL MALE AND FEMALE ORPHAN ASYLUMS were founded by Eurasians for relief of the poorer members of the community in the early part of the past century, so far back as 1807, and have, therefore, been in operation for over ninety-five years.

A full statement of the funded capital and financial resources of these Institutions will be found in the Annual Report. Improvements have been introduced into the system of education pursued in each of the Asylums, with a view to increasing their public utility. For the furtherance of this object, these schools are now placed under Government Inspection.

All orphan children, *throughout the Presidency*, descended from parents either Eurasian or European, not in Military employ, are eligible for admission.

This fact, it may be assumed, is generally known throughout the mofussil from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the mofussil for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. The Directors, threfore, earnestly request the Clergy in the Presidency and mofussil either to make regular periodical collections in their Churches in behalf of the Asylums, or else to circulate this appeal together with the accompanying report among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions, which provide such efficient relief for the destitute and distressed members of their own community.

Contributions may be remitted to Mr. A. J REBEIRO, Hony. Treasurer, Kennet's Lane, Egmore, or to THE HONY. SECRETARY, Civil Orphan Asylums, Egmore, Madras.

REPORT

OF THE

Madras Civil Orphan Asylums

AND

St. MARY'S CHURCH CHARITY SCHOOL

FOR 1902.

The Directors have the pleasure to place before the subscribers and friends of these Institutions a brief report of the operations of the Asylums during the year 1902.

Owing to the great waste of teaching power in the higher classes of both Asylums, the Directors decided on introducing the "Mixed School" system, by which the boys and girls were taught together. For educational purposes therefore the two Schools have been amalgamated, but the management of each school is quite independent of the other, and, for purposes of comparision, the report deals with each institution separately.

2. MALE ASYLUM.

The year began with six supernumeraries to be absorbed in the orphan list as vacancies occurred, but owing to the large number of waiting children there remained 6 at the end of the year in excess of the recognized strength. There was therefore 99 boys on the rolls at the beginning of the year and 105 at its close.

The subjoined statement shows the admissions and withdrawals during that period.

3. Of the 9 orphans admitted, 6 were from Madras, 1 from Masulipatam, 1 from Kolar and 1 from Pondicherry. Of the eight admissions to St. Mary's two came from Wynaad one from Bellary, and five from Madras. Of the two boarders admitted during the year, one was a transfer from St. Mary's Church Charity School, and the other was received from the Lawrence Asylum, Ootacamund.

4. Of the six orphans withdrawn from the Asylum, one obtained employment in the South Indian Railway at Negapatam,one was transferred to the Madras Industrial School, and four were removed by relatives. Six St. Mary boys were withdrawn. One obtained employment in the Government Secretariat, four were removed by relatives, and one was transferred to the Madras Industrial School.

5. Female Asylum.—There were 41 girls on the rolls on the 1st January 1902, and the year closed with 40.

HEALTH.

8. With the exception of one severe attack of Dengue, the ailments of the children were of a very trifling nature. Although cholera and small-pox broke out in several parts of the city, there was not a single case in either Asylum. The admissions, excluding the cases from Dengue, numbered 160. The health on the whole therefore continued to be satisfactory. Two boys were sent to Whitefield for the benefit of their health. There were no deaths.

Education.

9. Teaching Staff.—There were several changes in the staff of both the Male and Female Asylums. In the Male Asylum Mr. H. W. Callaghan, who was Headmaster for over 11 years, resigned, and on the recommendation of the Garrison Chaplain, the Directors sanctioned the appointment of Mr. Philip Bartlett as Headmaster. Mrs. Harvey, the Head-Mistress, was obliged to resign in consequence of the continued illness of one of her children, and Mss Edie was appointed to act for her. Miss Drake succeeded Miss Rechtor and Miss Alice Martin took Miss Edie's place. In the course of the year Mr. H. Bond, 3rd Master resigned, and considerable difficulty was experienced in securing the services of a suitable dormitory master. The Tamil Munshi's services were dispensed with, and Mr. Guest, 4th Master is now teaching the children Tamil. Sergeant J. Arnold resigned, having been appointed Superintendent of the Moore Market, and Sergeant Hipwood was appointed in his place.

The bromide enlargement of Mrs. Berlie, late Head Mistress of the Female Asylum was put up during the year, and, as funds permitted, a sum of Rs. 100 was invested, the interest from which gives an annual prize to perpetuate the memory of this old and valued teacher.

Foot ball and cricket continued to be the favourite out door games, and the elder boys furnished the usual quota of cadets to the M. V. Gds.

Examinations.

Male and Female Asylums.

10. On the boys' side, the three Public Examinations in which they competed were the Diocesan Prayer Book Examination, the Eurasian and Anglo-Indian Tamil Examination, and the Government Lower Secondary Examination. For the Prayer Book Intermediate Grade 5 appeared and 3 passed. For the Elementary Grade 4 appeared and all passed, obtaining Certificates of merit, and one of these George Gibson obtaining a money prize. For the Eurasian and Anglo-Indian Tamil Examination 7 appeared and all passed, Joseph Middleton obtaining a money prize of Rs. 4-0-0 whilst the others secured Certificates of merit. For the Lower Secondary Examination 6 appeared and 4 passed.

On the girls side for the Intermediate Grade of the Prayer Book Examination, five were sent up and all obtained Certificates of merit. For the Elementary Grade, six were sent up, and all passed; three of these obtaining money prizes, viz.—Alice Harper, Annie Dean and Mary Henderson. For the Eurasian and Anglo-Indian Tamil Examination, 8 were sent up and all passed. One of these Nellie Jones obtaining a money prize. For the Lower Secondary Examination two were sent up and both passed.

Government Inspection.

11. The Male and Female Asylums being amalgamated, the Yearly Inspection was conducted by Mr. Marsden, Inspector of Schools, who remarked as below:—

Staff—Efficient.
Dress and manners—Good.
Discipline and tone—Good.

The girls' and boys' schools were amalgamated in January. Class IV and upwards are taught in the boys' school, Mr. Callaghan being Head-Master. Class III to Infant are under Mrs. Harvey as Head-Mistress. In all classes boys and girls are taught together. This is a good arrangement of which I approve, as each class has now a teacher of its own, except classes II and I which are under one teacher.

Needle work is taught by Mrs. Dunbar who comes once a week for the purpose. It is also done in each class under the teaching of each class teacher. Each girl makes up the clothes she wears. Drawing has just been begun in class III. It might be done in all classes. A series of Drawing books (Nelson's or Vere Foster's) should be bought.

(1) The Director of Public Instruction in reviewing the report of the Inspector remarks as follows:—

(2) The boys' and girls' schools were amalgamated during the year, and it is hoped that this arrangement will be conducive to the better working of the institution. It is observed that Mr. Bond is entirely unqualified.

(3) There was a decline in the strength of the school during the year compared with the total strength of the boys' and girls' schools for 1900-1901. In table (*c*), the statistics for boys and girls should be separately given.

(4) The results of the public examinations and those of the inspection were good, and the discipline and tone of the institution continued to be satisfactory.

FINANCE.

12. The receipts during the year amounted to Rs. 25,024 being Rs. 1,874 more than the amount received in 1901 as shown below.

On the advice of the Hon'ble Mr. Justice Benson, a change of investment was effected on more favourable terms. The Government Paper amounting Rs. 81,600 realised Rs. 80,837 which purchased Municipal bonds to the value of Rs. 78,363, and Government Paper for Rs. 1,000. The interest realised under the old investment was Rs. 2856, the present investment brings in an income of Rs. 3398½, plus Rs. 35, or a total income of Rs. 3433½.

DIRECTORATE.

13. During the year the Asylum lost the services of Mr. C.E. Phipps who was obliged to sever his connection with the directorate in consequence of his return to England on account of ill health. The Directors placed on record the high appreciation of the valuable services rendered by Mr. Phipps to these Asylums during a period of over 20 years, and expressed a hope that he would soon be restored to health.

Mrs. Hope Ross resigned her post as Lady Secretary during the year, and was succeeded by Mrs. Puddephatt. The Directors were pleased to place on record their appreciation of the work done by Mrs. Hope Ross for so many years.

CONCLUSION.

14. (1) The large proportion of applications received on behalf of the destitute children of deceased Railway employees attracted the attention of the Directors, and in bringing this state of things to the notice of the Directors of the Madras Railway and South Indian Railway Companies, application was made for some assistance on behalf of those children now borne on the rolls of the school. In response to this appeal, the South Indian Railway Company has very generously consented to meet the cost of maintaining 12 children nominated by the Company. The Madras Railway has called for further information, but a final reply has not yet been received.

(2) The new set of Band Instruments arrived early in the year and owing to the exertions of Mr. Taylor, the Band Instructor, the Band was able to play at the sports on the occasion of the anniversary of the E. & A. I. Association. This progress is exceedingly creditable, as several of the youthful performers did not know a note of music till they were drafted into the Band a few months before. The thanks of the Directors are due to Messrs. Binny & Co., for their kindness in bringing out the instruments free of all charges. A Government grant of Rs. 406 was obtained under the Grant-in-aid code, which with the amount

placed at the disposal of the school by Mrs. King covered the whole cost. An application for the refund of customs duty paid was refused by Government.

(3) At the monthly meeting of the Directorate in March last, His Lordship the President, brought forward an important scheme for the amalgamation of all the Church of England Orphanages in the diocese of Madras. His Lordship remarked that there were five separate Orphanages in Trichinopoly, Bellary, Bangalore, Secunderabad and Ootacamund. In each of these Orphanages, there were boys and girls in practically one building. In some cases, they were in charge of a Matron only, in others, a Sergeant and his wife. His Lordship was struck with this undesirable arrangement. In small stations it was always possible to get good Matrons, but it was not so easy to get good Masters who would keep the Orphans under strict supervision. Then, the arrangement was wasteful. In each institution a complete staff of teachers and servants had to be maintained. Besides, it was difficult to get suitable employment for the boys as they grew up, the result being that they were kept in these institutions longer than they should. Then again, they were not under any permanent management. Chaplains were so frequently transferred, that there was no continuity of policy, and half the children now in these Orphanages should not have been admitted. As it was extremely probable that a new site would have to be provided and new buildings to be erected. His Lordship thought that this would be a very fitting opportunity to expand the boys side so as to supply the needs of the whole diocese. The girls Orphanages would still be maintained as a channel for local charity. The Directors resolved that, as several of the small Orphanages for boys in Mofussil stations would be closed at an early date, in the event of new buildings, being constructed, provision should be made for a considerable increase in the accommodation to be provided for the boys.

(4) For a long time past it was an open question as to whether the resident Staff of Civil Orphan Asylums were entitled to free

Medical attendance, but Government has in its order, No. 532, dated 4th June 1902, been pleased to rule that the resident staff with their families shall in future be entitled to gratuitous Medical attendance from the Medical Officers, attached to this institution.

(5) An agreeable feature in the year's work was the offer made by Lodge Universal charity to found an endowment on certain conditions to perpetuate Mr. Greatorex's connection with the Asylum. A sum of Rs. 900 was placed at the disposal of the Directors' for the purpose of supporting one scholar nominated by the Lodge to be called the Greatorex scholar and though the interest was insufficient to cover the full cost of maintaining a child, the Directors decided to accept the trust in consideration of Mr. Greatorex's services, but hoped that additional funds would soon be forthcoming to make the scholarship self supporting.

(6) Mr. Madden continued in Spiritual and Educational charge, throughout the year and with characteristic energy rendered invaluable assistance to the Directorate.

(7) The Directors tender their best thanks to all donors and subscribers towards the funds of this Institution.

(By order)

J. R. COOMBES,

Hony. Secretary.

APPENDIX A.

The Garrison Chaplain's Report.

The year 1902 was a period of change and transition. It will be as well to look back and consider what the state of affairs was before Jan. 1st 1902.

Up to that date the boys and girls had been kept rigidly apart for educational, as well as for domestic purposes. There were two entirely separate and distinct schools. The Boys School was under the Inspector of Schools, the Girls School under an Inspectress. Two distinct sets of teachers had to be kept. In the Boys School the Head Master and two Assistants, with a Tamil Munshi, taught Forms III, II and I and Class IV. On the Girls side however, the Head Mistress and two Assistant teachers were expected to teach not only the three forms of the Upper Secondary School, but Classes IV to I and the Infant Standard as well. The little boys went over to the Girls School for instruction, so that the Head Mistress and two Girl teachers were supposed to teach no less than eight different standards.

This of course was an impossibility. What actually took place was, the Head Mistress taught Forms III and II and occasionally took classes in Form I and Class IV.

The two Assistants taught Form I Class iv Classes iii and ii while class i and the Infant Standard were handed over to pupil teachers, elder girls who had no experience of teaching whatever. The result of this want of system is to be seen in the elder boys of the school at the present day. There has just left the school a boy aged 18 who has been in the school 9 years. He was able to read and write in a sort of way, but with hardly as much education as a Board School child of 7 or 8 possesses in England.

The system of handing over the children of tender age to untrained and inexperienced teachers is absolutely fatal, if we want to develop of habits of industry and attention to work in after years.

From the 1st Jan. 1902 however, a new start was made. The division between the teaching staffs has been abolished and we have practically one school. The Upper classes, Form III to Class IV are taught in the Boys School under the superintendence of the Head Master, while the lower classes are taught as before in the Girls School under the Head Mistress. The Head Mistress herself now takes the Infant standard, while each class has its own instructor.

The plan has so far been a complete success. Mr. Callaghan the late Head Master, writing in May 1902 says "Judging from the half-yearly examinations just held, I think there is a distinct improvement in most of the classes." Mr. Marsden, Inspector of Schools, also states in his report, "This is a good arrangement of which I approve, as each class has now a teacher of its own."

The results of the examinations at the end of the year were also encouraging. The boys seem to have been stimulated to greater exertions by rivalry with the girls, while the latter have benefited by being in larger classes, while receiving more individual attention. It will however, be several years before we see the full results of this amalgamation of schools.

There is also an immediate gain in the matter of economy.

The system of Religious instruction which was begun after the Christmas Holidays in January 1902 was also a new departure. The Lord Bishop of Madras wishes to have a uniform system of Bible teaching in all the Church of England Schools in the Diocese. In this system the whole Bible is gone through in each class every year. The lessons being graded according to the intelligence of the children in each class. This system will be worked this year in the following schools besides the C.O.A., The Lawrence Asylum Ootacamund, The St. Stephens Schools

Ootacamund, and the Military Female Orphan Asylum. Here again, it is obvious that we shall not see any very marked improvement until the system has been working for several years. But our school has had one year's start of the other Church Schools, a fact which will make for increased efficiency as in the future.

The results of the Examination in Religious knowledge are as follows :—

In this examination are included as well the results of the weekly Catechisms in the chapel.

The next examination to be considered is the Annual Examination for the Bishops Prayer Book Prizes.

The results here were much better than last year.

In the Intermediate grade 5 girls and 5 boys appeared. Three girls obtained Certificates of merit, two girls and three boys obtained Pass certificates, while two boys failed. The results

in the Elementary grade were better ; six girls and four boys appeared. The following obtained prizes.

	Marks.	Prize.
Alice Harper.	155	3- Rs.
George Gibson	151	3- ,,
Annie Dean.	149	3- ,,
May Henderson	148	1-8 ,,

While all the others six in number obtained Certificates of merit.

At the examination in Tamil held by the Eurasian and Anglo-Indian Tamil Association in September 1902.

In the Lower Secondary Examination four boys and two girls passed the complete test, while two boys failed

No pupils appeared for the Primary Examination.

There have been this year as usual a large number of changes in the teaching staff. Mr. H. Callaghan who has been Head Master for the last 12 years resigned his post, but continued in charge of the school up to the end of the year. I take this opportunity of bearing testimony to the excellence of his teaching, the results shewn in the Government examinations have in every case proved satisfactory. He will be succeeded by Mr. P. Bartlett under whose rule it is hoped the school will make great progress in all things. Mrs. Harvey who succeeded Mrs. Berlie, left us rather suddenly after serving for about a year, while several changes have taken place among the Assistant teachers. The band has been under the able tuition of Mr. Taylor who has already made such progress that the band will shortly be as efficient as it ever has been in the past.

Garrison Chaplain.

APPENDIX B.

Annual Medical Report of the Civil Orphan Asylums, Madras for the year 1902.

1. GENERAL HEALTH.—With the exception of an Epidemic of dengue alluded to below, the children enjoyed good health. The admissions to hospital being for the ordinary trifling complaints generally speaking, skin troubles such as itch, shoe-bites, small injuries, burns, mild fevers, headaches, constipation, worms and so on. Four boys were sent to the General Hospital ; on account of fracture of the elbow one, operation for adenoids and tonsils one, pneumonia one, rupture one.

Two boys were sent to Whitefield for a change on account of poor health.

The total admissions were 327, or deducting dengue cases 167.

2. DEATHS—There have been no deaths.

3. CONSERVANCY AND BATHING.—Both were efficently carried out.

4. EPIDEMICS.—A severe Epidemic of dengue broke out at the end of August and lasted till December. It accounted for 160 admissions, 121 being boys and 39 girls. The whole staff also suffered from it.

5. BUILDING.—The buildings were repaired and white-washed during the year and are now in good condition.

6. MEDICINES.—The cost under this head amounted to Rs. 88-0-0 as compared with Rs. 72-9-6 for last year.

7. DIET.—The quality of the food supplied has been on the whole good. There have been no changes in the diets.

8. GENERAL REMARKS.—As above remarked dengue fever affected the general health of the children very much. The

admissions under such as fevers, coughs, colds, local injuries, &c., call for no special remark.

9. STAFF.—Captain White was in subordinate charge up to 23rd May. Civil Assistant Surgeon, P. P. Pinto from 24th May to 2nd July 1902. Military Assistant Surgeon, D. Robertson from 3rd July to 31st December 1902.
