EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From R. WATERFIELD, Esq., Officiating Assistant Secretary to the Government of India, Finance and Commerce department, to the Secretary to the Government of Madras, Educational department, dated Simla, 5th May 1903, No. 2422-S.R.

With reference to the correspondence ending with the endorsement from this department No. 304-S.R., dated the 29th January 1903, regarding the local purchase of aluminium and polishing powder required for the Aluminium department of the Madras School of Art, I am directed to forward a copy of a despatch from the Secretary of State for India, No. 6, Financial (Stores), dated the 10th April 1903, and to request that, with the permission of His Excellency the Governor in Council, the Government of India may be furnished with the information required by the Secretary of State in paragraph 3 of the despatch.

ENCLOSURE.

DESPATCH from His Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated London, 10th April 1903, No. 6, Financial (Stores).

I have considered in council your letter in the Finance and Commerce department No. 10 of 29th January 1903, stating that you consider it would be as well not to disturb the existing arrangements as regards the purchase of the aluminium and polishing powder required for the Madras School of Art.

2. As you state that the aluminium business is to be closed before long, I concur in your opinion.

3. I have however to request that I may be informed how it is proposed to dispose of the machinery supplied for the Aluminium department at a cost of upwards £1,200 on an indent from the Madras School of Art, dated 18th February 1901.

ORDER—No. 222, Educational, dated 16th May 1903.

Communicated to the Director of Public Instruction.

2. The information required in paragraph 3 of the Secretary of State's despatch should be furnished at an early date.
