The Chief Engineer, Public Works Department.
Secretary to Government

Petition dated 24th April 1903 from K. Ramiah
clerk ~~in~~ class 1st grade through the Executive
Engineer Kistner Northern Division.

I beg to submit that I have appeared
for "Papers Higher Grade" for the last 3
years but have not been fortunate enough
to secure a pass.

Note note 6 to article
4 of Special Act No. 1 of
1901, which exempts
General Dept men
up to 1902

Under the present rules I am precluded
from appearing for the examination from
this year 1903. I am now a clerk ~~in~~ class
1st grade (40-50) and in the way of getting
sooner or later the next higher grade (50-60).
This latter grade and above are generally
given to persons who are qualified by
passing the above examination.

I have already put in about 22 years
service in the Department and am aged
44 years.

I need not represent that one of my
standing who has ardently served the
Government for more than three fourths
of the pensionable period with hard work,
with me very much disheartened if he is not
shown

shown some gracious consideration
in the matter of appearing for the above
examination without any qualification or
reserve.

I therefore pray your honor would be
kind enough to recommend me for the
sanction of Government for my exemption
from passing the said examination or
if this is not possible, to permit me
to appear for the same for at least
two times more.

For which act of kindness, I, as an
duty bound, shall ever pray for your
honors long life and prosperity.
