Public service notification.

Making certain alterations in article 4 (3) and schedule A of the — in respect of the qualifications required for appointment in the conservancy establishment, Public Works department, and notifying them in the *Fort St. George Gazette*.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From Colonel W. L. C. BADDELEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works department, dated Bellary, 1st May 1903, No. 1379-W.

I have the honour to observe that in the public service notification, revised up to 31st March 1903 (*vide Fort St. George Gazette*, dated 21st April 1903), it is stated in article 4 (3) that draftsmen and surveyors in the Public Works department who possess certificates of the College of Engineering, etc., may be appointed to any post in the conservancy establishment; but in column 1 (17) schedule A printed after article 5, it is ruled that the appointments of superintendents of irrigation and conservancy establishments fall under the operation of article 1 of the notification.

2. The above two notifications appear to be conflicting, and I beg to be informed whether a man appointed to be an irrigation superintendent on the Kurnool-Cuddapah canal on a salary of Rs. 65 per mensem or less is to be considered fully qualified if he holds the college certificate referred to.

No. 416 D., dated 13th May 1903.

Referred to the Educational department.

2. Attention is also invited to the wording of article 4 (3) of the notification. It is said that certificated draftsmen and surveyors "in" the Public Works department may be appointed to the conservancy establishment. Does this bar the appointment of men not already in the department?

W. B. DEWINTON,
Secy. to Govt., P.W.D.

ORDER—No. 257, Educational, dated 29th May 1903.

The concession granted in article 4 (3) of the public service notification applies only to draftsmen and surveyors who are employed in the Public Works department and who possess either the certificate of the College of Engineering or the draftsman's group certificate in mechanical drawing awarded under the notification regulating the Government technical examinations. Other persons must be qualified under article 2 of the public service notification in order to be eligible for any appointment in the conservancy establishment carrying a salary of Rs. 15 *per mensem* and upwards. The Governor in Council however sees no necessity for restricting the concession to subordinates of the Public Works department and the necessary alteration will be made in the public service notification and in consequence of this modification the enquiry made by the Superintending Engineer in his letter No. 1379-W., dated 1st May 1903, may be answered in the affirmative.

2. In order to remove the appearance of inconsistency between schedule A of the notification and articles 3 and 4 of the notification and in order to make it plain that column 1 of schedule A refers only to inferior appointments and to superior appointments carrying pay of less than Rs. 15, the following notification will be published in the *Fort St. George Gazette* :—

NOTIFICATION.

The following alterations will be made in the public service notification with effect from this date :—

Article 4 (3).—The words "in the Public Works Department" shall be omitted.

Schedule A.—(1) In the heading, after the words "excluded from the operation of article 1 of the public service notification" the words "subject to the exceptions and concessions allowed by articles 3 and 4 of that notification" shall be inserted.

(2) In column 1 after the heading "DEPARTMENTAL," the words "The following appointments provided that they are superior appointments carrying pay of less than Rs. 15 *per mensem* or are inferior appointments" shall be inserted.

(True Extract.)

A. G. CARDEW,
Ag. Secretary to Government.

To the Public Works department.

„ Commissioner for Government Examinations.
Gazette.

NOTES CONNECTED WITH G.O., No. 257, EDUCATIONAL, DATED
29TH MAY 1903.

[SUBJECT.—Qualifications for the conservancy establishment.]

From the Public Works Department, No. 416-D., dated 13th May 1903.

Article 4 (3) of the Public Service notification was first inserted in G.O., No. 317, Educational, dated 9th May 1894, with reference to paragraph 4 of G.O., No. 890, Educational, dated 5th December 1893, and was subsequently amended by G.O., No. 62, Educational, dated 7th February 1901. It is a concession made in favour of draftsmen and surveyors already employed in the Public Works department.

2. The entry in column 1 (17) of schedule A was first made under G.O., No. 483, Educational, dated 25th June 1891, and modified by G.O., No. 116, Educational, dated 14th February 1893.

3. Schedule A simply shows for what * appointments—superior or inferior—the primary examination qualification is attached. The rules prescribing the qualifications are articles 1 and 2 under which all inferior appointments shown in column 1 of schedule A and all superior appointments on less than Rs. 15 can be held only by those who have passed the primary or other equivalent examination and all superior appointments on Rs. 15 and above, by those who have passed the Upper Secondary examination or the Matriculation with the handwriting test or other equivalent examination. Certain appointments are however excluded from the scope of articles 1 and 2 by article 3, while in article 4 concessions are made in favour of certain other appointments.

4. There is thus no real conflict between article 4 (3) and the entry in column 1 (17) of schedule A. The appointment of a man who holds the draftsman's or surveyor's certificate of the College of Engineering, but who is not qualified under article 2 as an irrigation superintendent on a salary of not less than Rs. 15 is permissible only if he has been, before the appointment, a draftsman or surveyor in the Public Works department. Otherwise he must have qualified under article 2. No technical qualification is prescribed in schedule B for irrigation superintendents.

5. Column 1 of schedule A shows more than what is required by article 1 and its amendment may be separately taken up.

P. T. THARYAN—19-5-03.

Article 4 (3) does not seem plain enough. What is the object of confining the concession to men "in the Public Works department"?

A. G. CARDEW—20-5-03.

It is submitted that the office took it to be the encouragement of these men—especially as the Chief Engineer's recommendation was that any man who held a college certificate as surveyor or draftsman might be appointed to the irrigation conservancy establishment without being required to pass a general education test—*vide* G.O., No. 890, Educational, dated 5th December 1893. There seems to be hardly any other object.

P. T. THARYAN—20-5-03.

As the office-note above shows, under existing rules, the Superintending Engineer should be informed that the man referred to cannot be appointed an Irrigation Superintendent unless he is either qualified under article 2 of the Public Service notification or is a draftsman or surveyor already in the Public Works department.

2. The Public Works department may perhaps take this opportunity of considering whether the words "in the Public Works department" need be retained in article 4 (3). The object of the Public Service notification is to maintain a certain standard of general education, i.e., in the case of appointments of Rs. 15 and upwards, a standard not lower than Matriculation. The reason for exempting draftsmen and surveyors with certain technical qualifications was that these men, in their course at the Engineering College or in passing the Government technical test, must have attained a sufficient standard of general education. If so, it is not clear why the exemption need be limited to men already in the Public Works department. The case now submitted by the Superintending Engineer shows that the limitation may be inconvenient, and it does not seem to rest on any principle. If the Public Works department were to concur, the question of omitting the five words would be considered in Educational.

A. G. CARDEW—20-5-03.

To the Public Works department.

PUBLIC WORKS DEPARTMENT.

Public Works department concurs.

W. B. DEWINTON—22-5-03.

To the Educational department.

EDUCATIONAL DEPARTMENT.

A notification may at once be issued omitting the words "in the Public Works department" from line 1 of article 4 (3).

2. Orders are solicited whether column 1 of schedule A should also be amended, if it should be, the following words may be entered in column 1 against "departmental" at the top of page 4:—

"The following appointments, whether they are superior appointments carrying pay less than Rs. 15 per mensem or inferior appointments".

P. T. THARYAN—23-5-03.

Draft accordingly please.

A. T. PRINGLE—24-5-03.

SUBJECT.

Conservation of Establishments. Pointing out an ambiguity in the Public Service notification re: the qualifications required for appointment in the Public Service and requesting to be informed if the Engineering College (Madras) certificate is a sufficient qualification for a minor Irrigation Engineer's place.

BACK PAPERS.

FURTHER PAPERS.

The Chief Engineer, Secretary to Government, Public Works Department.

I have the honour to observe that in the Public Service Notification, revised up to 31st March 1903, vide Fort Saint George Gazette dated 21st April 1903, it is stated in article 4(3) that Draftsman and Surveyors in the P.W.D. who possess certificates of the College of Engineering etc. etc. may be appointed to any post in the Conservancy Establishment; but in column 100 Schedule A printed after article 5, it is ruled that the appointments of Superintendents of Irrigation and Conservancy Establishments fall under the operation of article 2 of the Notification.

2. The above two notifications appear to be conflicting, and I beg to be informed whether a man appointed to be an Irrigation Superintendent on the Kurnool - Tuddapah Canal on a salary of Rs. 65/- per mensem or less is to be considered fully qualified if he holds the College certificate referred to.

I have the honour to be,

Sir

Your most obedient servant,

H. C. Baddley J.C.R.E.

The concession granted in article 4 (3) of the
public service notification applies only to draftsmen
and Surveyors ^{who are} employed in the Public works
department ^{who} and ^{either the} possessing certificates of the
College of Engineering or the draftsman's group
certificate in mechanical drawing awarded
under the notification regulating the Govern-
ment technical examinations. Other persons
must be qualified under article 2 of the
Public Service
~~former~~ notification in order to be eligible for
any appointment in the Conservancy establish-
ment ^{carrying a salary of} ~~on a salary of not less than~~ Rs. 15 per
ensem ^{per month}. The Governor in Council however sees
no necessity ^{for} to restrict the concession to
subordinates of the Public works department

and the necessary alteration will accordingly

be made in the public Service notification.

~~Advantage will be taken of the opportunity to make~~

~~it clear~~ that Column 1 of Schedule A to the

notification refers only to inferior appointments,

and Superior appointments ^{carrying pay of} less than Rs. 15.

2. The following notification will be

published in the Fort St. George Gazette: -

Notification.

In the public Service notification the words "in the Public works department" occurring in line 1 of article 4 (3) shall be omitted.

In Schedule A to the same notification the following words shall be inserted ⁱⁿ Column 1 at the top of the entries under the head "departmental," ^{insert} namely, "The following appointments ^{provided that} ~~are~~ they are superior appointments carrying pay ^{of} less than Rs. 15 per mensem ^{are} or inferior appointments -".

and in consequence of this modification, the enquiry made by the Sup^d Engr^r in his L^r No 1379 W. dated 1 May 1903 may be answered in the affirmative.

2. In order to remove the appearance of inconsistency between Schedule A of the Notificⁿ & Arts 3 & 4 of the notifiⁿ & in order to make it plain,

(1) In the heading, after the words "Excluded from the operation of the Art. 1 of the Public Service Notificⁿ," ~~the following~~ shall be added insert "Subject to the ^{exceptions &} concessions allowed by Arts 3 & 4 of that Notification".
